Stockton Port Commission
2201 West Washington Street
Stockton, CA

Attn: Mr. Alexander Krygsman
Port Director

Dear Mr. Krygsman:

A copy of the San Joaquin County Grand Jury Report was recently received and has been reviewed in detail.

We certainly feel that the Port of Stockton was unfairly criticized in this document. The Lodi City Council wishes to applaud the Port of Stockton for its efforts and achievements.

Very truly yours,

Fred M. Reid
Mayor

TO: Lodi City Council

We the undersigned representing the Lodi Downtown Business Association, concerned merchants and citizens; go on record in opposition of the use of the Hotel Lodi as a housing project.

We urge you to tell your City Council to vote in opposition of Community Block Grant Funding and represent us at the State level to reject the State Housing Funding which will commit our downtown landmark for the next 30 years as a State Funded Housing Unit.

This is in direct conflict to everything we have been taxed for as an Improvement District and will only serve to destroy our Downtown Lodi Community.

TO: Lodi City Council

We the undersigned representing the Lodi Downtown Business Association, concerned merchants and citizens, go on record in opposition of the use of the Hotel Lodi as a housing project.

We urge you to tell your City Council to vote in opposition of Community Block Grant Funding and represent us at the State level to reject the State Housing Funding which will commit our downtown landmark for the next 30 years as a State Funded Housing Unit.

This is in direct conflict to everything we have been taxed for as an Improvement District and will only serve to destroy our Downtown Lodi Community.

TO: Lodi City Council

We the undersigned representing the Lodi Downtown Business Association, concerned merchants and citizens, go on record in opposition of the use of the Hotel Lodi as a housing project.

We urge you to tell your City Council to vote in opposition of Community Block Grant Funding and represent us at the State level to reject the State Housing Funding which will commit our downtown landmark for the next 30 years as a State Funded Housing Unit.

This is in direct conflict to everything we have been taxed for as an Improvement District and will only serve to destroy our Downtown Lodi Community.
