

CITY COUNCIL MEETING
AUGUST 2' 1985

LODI AVENUE IMPROVEMENTS -
SCHOOL TO MAIN

Council was apprised that only one bid had been received for this project. The bid was from C. C. Wood Co. in the amount of \$77,766.00. The engineers estimate for the project was \$57,127.80.

On recommendation of Staff, Council, on motion of Council Member Olson, Snider second, rejected the bids received for "Lodi Avenue Improvements, School to Main" and authorized the re-advertising for the project in early 1986.

CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: August 13, 1985
SUBJECT: Award Contract: Lodi Avenue Improvements - School to SPPR

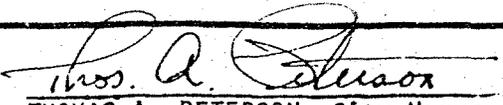

The bid opening for the above project is August 21, 1985, the day of the City Council meeting. We wish to save two weeks of good weather by not waiting to award the contract on September 4.

Assuming there are no problems with the bids, an award recommendation will be presented at the Council meeting on August 21.

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council

FROM: City Manager

DATE: August 21, 1985

SUBJECT: Lodi Avenue Improvements
School to Main

Project Data

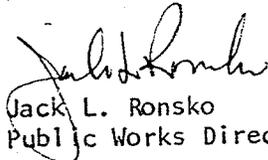

Approved in F.Y. Budget: 1984
Fund: Gas Tax
Amount Budgeted: \$63,000
Total Project Estimate: \$68,000
Bid Opening Date: 8/21/85

RECOMMENDED ACTION: That the City Council reject the bid received and readvertise the project in early 1986.

BACKGROUND INFORMATION: This project includes the installation of curb, gutter and sidewalk across the SPRR right-of-way on Lodi Avenue. Also included is an asphalt overlay from School to Main. Plans and specifications for this project were approved on August 7, 1985. The City received only one bid for this project.

<u>BIDDER</u>	<u>LOCATION</u>	<u>BID</u>
C. C. Wood Co.	Lodi	\$77,766.00
Engineer's Estimate		\$57,127.80

In reviewing the estimate with the contractor, it appears the estimate did not allow enough money for the full cost of removal of existing concrete and earth or for the difficulty in working on Lodi Avenue. However, given the fact we only received one bid and the amount of City capital and development work already underway or starting soon, it is felt that some cost savings will result if the project is rebid.
