COUNCIL COMMUNICATION

TO: THE CITY COUNCIL
FROM: THE CITY MANAGER'S OFFICE

COUNCIL MEETING DATE
September 2, 1987

NO.

SUBJECT:
PURCHASE OF PASSENGER VAN

PREPARED BY: Assistant City Manager

RECOMMENDED ACTION: Council consider the purchase of an eight to twelve passenger van and take action as appropriate.

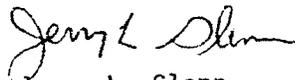

BACKGROUND INFORMATION: From time to time the City has had a need to transport from five to ten people or more to meetings, conferences, on sight inspections and the like. We have heard from Councilmembers and Department Heads that a small passenger van would be a useful addition to our vehicle fleet.

We have investigated the availability of a used vehicle and found that from time to time such vehicles are available. The cost of an eight to twelve passenger vehicle will range from \$12,000 to \$15,000, depending upon the size and appointments.

If the City Council wishes to purchase a vehicle of this type, we ask they approve \$15,000 be expended from the following Operating Reserves.

. General	\$ 6,150
. Electric	7,950
. Water	300
. Sewer	600
	<u>\$15,000</u>

Respectfully submitted,

Jerry L. Glenn
Assistant City Manager
