Please indicate your interest in the arts; group affiliations, experience; and reasons why you are interested in serving on the Lodi Arts Commission.

I have a Bachelor of Arts degree from the University of Oregon (1976)
where I studied both fine and applied arts. As a youngster I studied
art appreciation under my grandfather who was an artist in the Carmel,
and later Manteca, areas. I have been a past member of the Cental Calif.
Art League in Modesto. Personally I do sculpture, water color and pencil
graphics. I have a desire to see the arts, whether visual or performing,
have and maintain a priority place in any community's life. I'm fairly
new to Lodi, but have already joined the Lodi Art Center. I have two
daughters, both of whom are artistic, and it is to see that their future
in the arts is secured, and all those of future generations, that I would
like to work towards with the Lodi Arts Commission. (over)

During 1986 I worked as Lifestyle Editor with The Manteca News in Manteca and had the opportunity to follow the growth of that community's fledgling Mayor's Committee for the Arts and was, myself, one of the displaying artists at their first public exhibition. I also attended several of the Manteca Kindred Arts programs and interviewed Neal LoMonaco, cellist with the Sacramento Symphony, when he came to Manteca. I am interested in helping to see to it that proper funding is found for arts programs in the community as well as to see that as wide a diversity of arts as possible is brought to our community, and that we do all we can to foster our own citizens to tap their own hidden talents and give them opportunities to do so.
