PETITION RECEIVED
EXPRESSING CONCERN
REGARDING INCREASED
SPEED LIMIT ON
BRANDYWINE DRIVE

CC-16
CC-48(a)

Susan Speaks, 1100 Brandywine Drive, Lodi, presented petitions bearing approximately 50 signatures stating, "We, the undersigned, residents of Brandywine Drive, are concerned about the proposed increase in the speed limit on our street from 30 to 35 mph. The current speed of vehicle traffic creates a hazard not only to residents backing out of their driveways but to the many small children residing in the neighborhood; any increase in speed limit would only compound that problem. Rather than increasing the allowable speed limit, we would encourage the City of Lodi to vigilantly enforce the existing 30 mph maximum and thus lessen the potential danger to residents and the many high school pedestrians using this route. Thank you for your consideration of our request.

Discussion followed with questions being directed to Staff and to Ms. Speaks. No formal action was taken by the Council on the matter.
