## COUNCIL COMMUNICATION

TO: City Council  
FROM: City Manager  
DATE: September 5, 1984  
SUBJECT: Approve Specifications for Three (3) Mid-Size Pickup Trucks

---

**RECOMMENDED ACTION:** That the City Council approve the specifications for three (3) mid-size pickup trucks and authorize the Purchasing Agent to advertise for bids to be received on Wednesday, October 3, 1984.

**BACKGROUND INFORMATION:** These pickup trucks were approved in the 1984-85 Operating Budget as a replacement for one Building Inspector's truck, one for the additional Building Inspector and one for the Engineering Department. These pickup trucks will replace a 1973 Ford Maverick and a 1976 Ford Courier pickup truck presently assigned to the Community Development and Public Work Departments.

## COUNCIL COMMUNICATION

TO: City Council  
FROM: City Manager  
DATE: September 5, 1984  
SUBJECT: APPROVE SPECIFICATIONS FOR TWO (2) DIESEL POWERED AIR COMPRESSORS

RECOMMENDED ACTION: That the City Council approve the specifications for two (2) air compressors and authorize the Purchasing Agent to advertise for bids to be received on Wednesday, October 3, 1984.

BACKGROUND INFORMATION: These air compressors were approved in the 1984-85 Operating Budget as a replacement air compressor for the Public Works Department. This air compressor will replace a 1979 hydraulic system presently assigned to the Water/Wastewater Division, Public Works Department. The other air compressor is an additional unit for a new crew truck assigned to the Water/Wastewater Division of Public Works Department.

## COUNCIL COMMUNICATION

TO: City Council  
FROM: City Manager  
DATE: August 30, 1984  
SUBJECT: Approve Specifications for Dump Truck  
with Emulsion Tank

---

**RECOMMENDED ACTION:** That the City Council approve the specifications for a dump truck with emulsion tank and authorize the Purchasing Agent to advertise for bids to be received on Wednesday, October 3, 1984.

**BACKGROUND INFORMATION:** This dump truck was approved in the 1984-85 operating budget as an additional unit assigned to the Street Division. The emulsion tank is used for street patch work and eliminates the need to tow a two wheel tractor emulsion unit to the job sites.

## COUNCIL COMMUNICATION

TO: City Council

FROM: City Manager

DATE: August 31, 1984

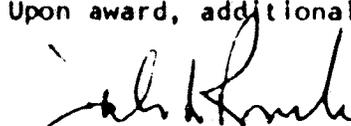

SUBJECT: Lodi Lake Storm Drain  
Lift Station Cleanup Pump

### Project Data

Approved in F.Y. Budget:	1984-85
Fund:	General Fund
Amount Budgeted:	\$ 8,000
Total Project Estimate:	\$16,800
Bid Opening Date:	9/22/84

**RECOMMENDED ACTION:** That the City Council approve the plans and specifications for the above project and authorize advertisement for bids.

**BACKGROUND INFORMATION:** This project entails purchase of a pump and motor for the storm water lift station at Lodi Lake. The pump will be installed by City forces and will replace an existing "clean water" pump with a "trash handling" pump suited for clean-up duty. The additional funds cover purchase of a larger pump than budgeted, in order to match the output of the pump being replaced. Upon award, additional funds will have to be allocated.
