CITY OF LODI

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: August 26, 1983
SUBJECT: Approval of Asphalt Material Specifications

RECOMMENDED ACTION: That the City Council approve the specifications for asphalt material and authorize the Purchasing Agent to advertise for bids to be received Wednesday, September 21, 1983.

BACKGROUND INFORMATION: The City advertises for asphalt material on a quarterly basis, however since small quantities of asphalt material are used during the months of January through March and asphalt prices have stabilized, it is felt it would be advantageous to the City to go to bid for six months. This bid will cover asphalt material needed during the second and third quarter of Fiscal Year October 1, 1983 through March 31, 1984.

A recap of the quantities is shown below:

<u>Asphalt Material</u>	<u>Quantities</u>
Item No. 1	800 Tons
Item No. 2	250 Tons
