DANIEL E. GIBSON
ASSISTANT GENERAL COUNSEL

TO: THE STATE, COUNTY AND CITY OFFICIALS
AND INTERESTED PARTIES

PACIFIC GAS AND ELECTRIC COMPANY hereby gives notice that in Application No. 82 08 51 it has requested authorization under its Gas Adjustment Clause (GAC) to revise its gas service tariff, effective October 1, 1982, to reflect gas costs and to amortize the Gas Cost Balance Account (GCBA) undercollection.

The GAC increase which PGandE proposes to place into effect on October 1, 1982 is required primarily to recover increases in the price of gas charged by PGandE's southwest supplier, El Paso Natural Gas Company. Also included are increases in the unit cost of gas charged by PGandE's California gas suppliers.

The proposed rates would increase PGandE's gas revenues about 6.7 percent or approximately \$267 million for the twelve-month period, October 1, 1982, to September 30, 1983. The increase will not raise PGandE's Gas Department rate of return above the level of 12.2 percent last found just and reasonable for PGandE's Gas Department by the California Public Utilities Commission.

The State, the counties, the municipal corporations, and other parties interested in the above-mentioned filing will be furnished a copy of Application No. 82 08 51, with related exhibits, upon written request made to PGandE, 77 Beale Street, P.O. Box 7442, San Francisco, California 94120, Attention: Daniel E. Gibson, Assistant General Counsel.

This notice is given in accordance with Rule 24 of the revised Rules of Practice and Procedure of the California Public Utilities Commission.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
