Subject: Designation of Voting and Alternate Voting Delegates, Annual Congress of Cities, November 29 - December 2, 1981, Detroit, Michigan

Under the Bylaws of the National League of Cities, each direct member city is entitled to cast from one to twenty votes, depending upon the city's population, through its designated voting delegate at the Annual Business Session of the Congress of Cities. (See table on reverse side.) This meeting will begin at approximately 10:30 a.m., Wednesday, December 2, 1981, at Cobo Hall, Detroit, Michigan. (Please consult your convention program at the Congress of Cities for the exact starting time of the meeting.)

To be eligible to cast the city's vote, each voting delegate and alternate voting delegate must be designated by the city on the enclosed form and the form forwarded to NLC's Credentials Committee. NLC's Bylaws expressly prohibit voting by proxy. Thus, an official of the city, property designated, must be present at the Annual Business Session to cast the city's vote or votes.

To enable us to get your credentials in order prior to the Congress of Cities, we recommend that you return the completed form in the enclosed envelope addressed to NLC on or before October 9, 1981. Upon receipt of these names, NLC will send each voting and alternate voting delegate a set of instructions on registration and rules governing the conduct of the Annual Business Session.

To assist your state municipal league in selecting delegates to cast the League vote, we have enclosed an extra copy of the credential form, and request that you forward it to your state league office.
