Dear Mr. Mayor,

At your September 4th City Council meeting, the Council discussed the possibility of a committee or commission being formed on Senior concerns.

As the City of Lodi appointee to the San Joaquin County Commission on Ageing, I would like to be a part of any such committee.

As one who has been working in all aspects of Senior needs and problems, I wish to commend the Council for your concerns and interest of the Senior members of the community.

Sincerely,
