RES. NO. 85-140

UTILITY DIRECTOR TO ASSISTANT ELECTRIC UTILITY  
DIRECTOR.

# COUNCIL COMMUNICATION

TO: THE CITY COUNCIL

DATE

NO.

FROM: THE CITY MANAGER'S OFFICE

September 24, 1985

SUBJECT: CLASS TITLE CHANGE

RECOMMENDED ACTION: That the City Council approve a change in class title from Utility Director to Director of Electric Utility.

BACKGROUND INFORMATION: The class title of "Utility Director" is not appropriately descriptive of the duties and responsibilities of the individual filling this position. The Utility Director is the department head in charge of the City's Electric Department. The City also operates other utilities (water and sewer) under the direction of the Public Works Director. In view of this, a more accurate class title would be "Director of Electric Utility", as recommended. This class title and very similar class titles are commonly used in other cities with municipal electric systems.

Respectfully submitted,

Thomas A. Peterson  
City Manager
