

CITY COUNCIL MEETING  
OCTOBER 3, 1984

12276-  
INVITATION REC'D  
FROM SANITARY CITY  
DISPOSAL, INC. TO  
VIEW WASTE WHEELER  
EQUIPMENT AND  
HANDLING SYSTEM

The City Clerk presented the following letter which had been received from Mr. David Vaccarezza, President of Sanitary City Disposal, Inc.

"Dear Council Members"

Sanitary City Disposal Company requests an audience before the Lodi City Council for an informal shirt sleeve session Wednesday, October 10, 1984, to demonstrate the equipment and handling systems we propose to use in the waste wheeler refuse collection program.

We would like to pick up the council members and staff at City Hall and transport them to a neighborhood where a route is being picked up. This will enable the council and staff to view the equipment in operation in the field.

If this request meets with your approval, please notify my office of the date and time so that appropriate arrangements can be made. Thank you.

Respectfully,

s/David Vaccarezza  
President"
