COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: September 27, 1984
SUBJECT: No Parking - Lockeford St. at Cherokee Lane

RECOMMENDED ACTION: That the City Council approve additional no parking on the west leg of Lockeford Street at Cherokee Lane to accommodate a right turn lane.

BACKGROUND INFORMATION: As part of the design of the traffic signal at Cherokee and Lockeford, the traffic consultant recommended restriping the east approach on Lockeford St. to allow for a right turn lane. Presently, vehicles do crowd to the right to make a right turn.

The proposed striping and parking restrictions shown on the attached sketch will accommodate this movement and increase the capacity at the intersection. Both businesses affected by the change have been notified and have no problem with the recommendation.
