LETTER
COMPLIMENTING
PARK RANGER
GALINDO REC'D

City Clerk Reimche presented a letter which had been received from Roland Cipra, 3938 Delmont Avenue, Oakland, California complimenting Park Ranger Galindo on the performance of his duties at Lodi Lake Park.

Sept. 21 1981

To the Lodi City Council:

On the weekend of Sept. 12+13, I was one of a group of RV's, (Pilgrim Wagoneers), using your facilities at Lodi Lake. While there, I observed the Park Ranger, a Mr V.V. Galindo, going about his duties. He maintained law and order with a friendly and courteous fashion. He was constantly on the move, always visible. When potential problems arose he was right there to quiet the situation. When we needed anything, within his province, it was provided with dispatch. Mr Galindo is to be commended

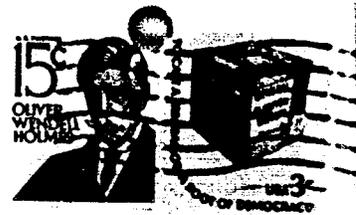

Very truly yours
