NOTICE INVITING BIDS

FOR LANE LINE PAINTING OF CITY STREETS

Sealed proposals marked "Bid on Lane Line Painting of City Streets" will be received by the Purchasing Agent in his office, Lodi City Hall, Call Box 3006 (221 W. Pine Street), Lodi, CA 95241-1910, until 11:00 A.M., Tuesday, October 29, 1985. They will be publicly opened and read in the City Hall Council Chambers.

BID REQUIREMENTS

1. General Description of Work

The work to be done consists in general painting of 64.4 miles of existing lane lines.

2. Specifications

2.1 Paint used to paint lane lines shall comply with State specifications, or approved equal.

2.2 All materials shall be guaranteed for a period of one year against material defects and workmanship.

3. Material

3.1 Paint shall be applied at a rate to provide a film thickness of .015" wet, .008" dry; and

3.2 Beads shall be applied at a rate of approximately five-six pounds per gallon of paint.

4. Equipment

The striping machine shall be equipped to spray two (2) colors of paint simultaneously.

5. Special Provisions

5.1 The City of Lodi reserves the right to increase or decrease any of the quantities within reasonable limits (plus or minus 15%).

5.2 All bids shall be submitted on bid proposal form attached.

5.3 Successful bidder shall supply all labor and traffic control devices required to avoid tracking of wet paint.

5.4 It shall be the contractor's responsibility to sand blast excessive tracking and improper width, leaving line edges clean and sharp in appearance.

Notice Inviting Bids for  
Lane Line Painting of City Streets

Page 2

- 5.5 The City Engineer will determine which streets are to be painted during hours other than normal daylight hours.
- 5.6 Upon completion of the project, the City shall be furnished with the following information;
  - a. The number of gallons of black, white and yellow paint used;
  - b. Pounds of beads used; and
  - c. The number of manhours expended on the job.
- 5.7 The contract price of painting lane lines shall include full compensation for furnishing all labor, material, tools and equipment to apply paint and no additional compensation will be allowed therefore. This includes sand blasting if necessary and protecting the paint from traffic and tracking until the paint is dried sufficiently so that the paint will not adhere to the tires of a vehicle.
- 5.8 Contractor shall complete work within thirty (30) days after award of bid.
