

CITY COUNCIL MEETING  
OCTOBER 16, 1985

PETITION RECEIVED  
RE SCHOOL CHILDREN/TRAFFIC  
SAFETY IN THE AREA OF  
GEORGE WASHINGTON SCHOOL

CC24  
CC43  
Pg 73

City Clerk Reimche presented a petition that was received bearing approximately 300 signatures which read as follows:

"We the undersigned are greatly concerned about the safety of our children crossing the streets, to school, especially Lockeford Street to George Washington School. The recent restrictions placed on our Safety Patrol highlights the fast traffic that make it most difficult for pedestrians to cross Lockeford Street safely.

We request that an immediate traffic flow study be conducted to determine the extent of the need for an Adult Crossing Guard, additional stop signs placed at Lockeford and Crescent and Lockeford and Orange or a totally new crossing in mid-block directly in front of the school manned by a crossing guard activating a flashing signal to alert drivers to a potentially dangerous pedestrian situation."

Speaking on the matter was Ms. Linda DeFazio, 820 W. Lockeford Street, Lodi. A lengthy discussion followed with questions being

directed to Staff and to Ms. DeFazio.

Also speaking on the matter were Glen Mora, 113 N. Hutchins Street, Lodi, and Mr. Bill Mackey, 7162 E. Acampo Road, Lodi.

On motion of Council Member Snider, Reid second, Council referred the matter to Staff, requesting that a traffic flow study of the area be conducted.

CC24  
Pg. 74

COMMENTS BY THE  
PUBLIC ON NON AGENDA  
ITEMS

The discussion regarding school children/traffic safety in the area of George Washington School, although introduced under "COMMUNICATIONS" was continued and acted upon under this segment of the agenda.

There were no other persons in the audience wishing to address the Council under this segment of the agenda.

RECEIVED

DATE: 10/16/85

ALICE M. REIMCHE  
CITY CLERK  
CITY OF LODI

PETITION TO THE LODI CITY COUNCIL

We the undersigned are greatly concerned about the safety of our children crossing the streets, to school, especially Lockeford Street to George Washington School. The recent restrictions placed on our Safety Patrol highlights the fast traffic that makes it most difficult for pedestrians to cross Lockeford Street safely.

We request that an immediate traffic flow study be conducted to determine the extent of the need for an Adult Crossing Guard, additional stop signs placed at Lockeford and Crescent and Lockeford and Orange or a totally new crossing in mid block directly in front of the school manned by a crossing guard activating a flashing signal to alert drivers to a potential dangerous pedestrian situation.
