APPLICATION FOR  
ARES ROBOT  
APPROVED

Following introduction of the matter by Staff, Council, on motion of Council Member Olson, Reid second, approved the seeking of a grant through International Systems, Inc., to purchase an ARES Robot (Auxiliary Robotic Education System).

# COUNCIL COMMUNICATION

TO: THE CITY COUNCIL FROM: THE CITY MANAGER'S OFFICE	DATE October 12, 1984	NO.
SUBJECT: ARES (Auxiliary Robotic Education System) Robot		

One of the requests I made of International Systems, Inc. was that they look into a grant to purchase an ARES Robot (Auxiliary Robotic Educational System).

The robot would have two primary functions:

- 1) Use by our School Resources Officers in school training programs:
  - (a) Child molestation
  - (b) Drugs
  - (c) Alcohol
  - (d) Bicycle Safety

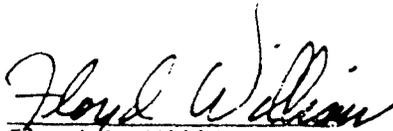

The possibilities are limited only by the imagination.

- 2) Video tape of Child abuse cases. Has proven effective in gaining needed information and also has reduced the number of not-guilty pleas where used.

Ann Johns of International Systems Inc., believes she has funding available and needs authorization to apply for the Grant.

Cost of the unit is approximately \$17,700 including the trailer for the robot and training in its use and maintenance. She states she needs authorization within thirty days.

I would be pleased to make a presentation at either a shirt sleeve session or a Council meeting if the Council desires.

  
Floyd A. Williams  
Chief of Police

RES. APPROVING  
APPLICATION FOR  
LOCAL ASSISTANCE  
GRANTS

Parks and Recreation Director Ed DeBenedetti addressed the Council regarding application for Local Assistance Grants under the California Parks and Recreational Facilities Act of 1984 ('84 Bond act). Mr. DeBenedetti described the

L

L

following three projects that staff feels have merit and meet the requirements for Grant Funds:

'84 Bond

Regional Competitive Program

100% Funding

Amount of Grant Request \$60,000  
Est. of Total Project \$60,000

PROJECT:

Lawrence School Softball/Soccer Field Lighting

The Recreation Department in cooperation with Lodi Unified School District has for years used the Lawrence School ball field for City sponsored softball and soccer games. Demand for playing fields in the evening hours has exhausted existing lighted facility space. Funds are being requested to provide ball field lighting for the three diamonds located at the school site.

The school district has indicated that they would be willing to lease the ball field to the City at no cost for a period of 50 years.

Lakes, Reservoirs and Waterways Program

100% Funding

Amount of Grant Request \$97,000  
Estimate of Total Project \$97,000

PROJECT:

Lodi Lake Restrooms Renovation & Handicap Modifications

This project consists of rehabilitating the restroom on the south side of the park and replacing the restroom on the north side. Both facilities will be constructed to meet State Handicap requirements.

REGIONAL COMPETITIVE PROGRAM

100% Funding

Amount of Grant Request \$180,000  
Est. of Total Project \$180,000

PROJECT:

Blakely Park Swimming Pool Addition

The project consists of constructing a 48' x 75' pool and filter system north of and parallel to the existing 30' x 55' pool. An increased demand for space for swimming lessons, recreational swimming and practice space for summer swim leagues indicates a need for additional facilities. The existing dressing and restrooms can be used for the additional pool.

Mr. DeBenedetti presented a detailed project proposal and justification on each proposed project and responded to questions as were directed by the Lodi City Council.

Following discussion, on motion of Mayor Snider, Olson second, Council adopted the following Resolutions pertaining to the approval of application of Local Assistance Grants under the California Park and Recreational Facilities Act of 1984 ('84 Act). The motion carried by unanimous vote.

- RES. NO. 84-164      Resolution No. 84-164 - Resolution of the City Council of the City of Lodi approving the Application for Grant Funds Under the Regional Competitive Program of the California Park and Recreational Facilities Act of 1984 for Lawrence School Softball/Soccer Field Lighting.
- RES. NO. 84-165      Resolution No. 84-165 - Resolution of the City Council of the City of Lodi approving the Application for Grant Funds Under the Regional Competitive Program of the California Park and Recreational Facilities Act of 1984 for Lodi Lake Restoration, Renovation and Handicap Modifications.
- RES. NO. 84-166      Resolution No. 84-166 - Resolution of the City Council of the City of Lodi approving the Application for Grant Funds Under the Regional Competitive Program of the California Park and Recreational Facilities Act of 1984 for Blakely Park Swimming Pool Addition.
