DEAR MAYOR KATNICH:

We hope that you will join with us and other local government officials urging repeal of the Davis-Bacon Act.

The Davis-Bacon Act is a 50-year old law which causes enormous waste of local tax resources by requiring federally established prevailing wages on all public construction which is any part funded by federal funds.

We believe that it's high time that the federal government returned to responsible local government officials the power to make these policy decisions about the use of local tax dollars even when some federal funding is involved.

Repeal of the Davis-Bacon Act will save the taxpayers hundreds of millions of dollars every year.

Please join with us in this effort by signing the enclosed form indicating your support.

When we receive your reply we will arrange for local publicity about your endorsement.

Thank you.
