Dear Councilmember Reid:

On November 2, 1986 the lease for my Lodi district office will expire.

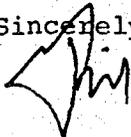

As you know, my office has been at this location for almost four years. During those years my staff has handled over 1,000 cases for senior citizens. We have provided various services for seniors including Social Security, Franchise Tax Board, Consumer Affairs, Ombudsman, etc. With these services in mind, I would like to see us working directly with the Senior Information Center housed at Hutchins Street Square.

The sharing of office space would be beneficial to both senior citizens and the Senior Information Center. The Center would have the needed office furniture, and the senior citizens would have immediate access to state services.

After checking with the Assembly Rules Committee, I learned that eight Assembly members currently rent from local governments. Terms of the lease agreement can be worked out according to both entity's guidelines.

Please advise me of your decision as soon as possible.

Sincerely,

PLI/hlp
