

CITY COUNCIL MEETING
NOVEMBER 5, 1986

REQUEST FROM BOOSTERS
OF BOYS/GIRLS SPORTS
ORGANIZATION FOR CITY
TO HOLD THAT ORGANIZATION
HARMLESS IN ITS
ACTIVITIES TO A LIMIT
OF \$250,000

CC-6
CC-21.1(a)
CC-40

Assistant City Manager Glenn reported that the lack of liability insurance has manifested itself in the non-reliability of the liability coverage the Boosters of Boys and Girls Sports, Inc. (BOBS) once had. The Board of Directors has been without insurance since September 19, 1986. The members of the Executive Board are concerned that their volunteer services have placed their personal net worth in jeopardy.

The BOBS have requested that the City of Lodi hold that organization harmless in its activities to a limit of \$250,000.

Mr. Glenn reported that the Joint Powers Insurance Authority will not share losses with BOBS as it is a separate entity with its own elected Board of Directors. Even if they would share these losses, the City of Lodi would be individually liable for the first \$250,000.

Addressing the Council concerning the matter was Mr. Robert Mullen, Attorney-at-law.

Following discussion, on motion of Council Member Snider, Pinkerton second, Council determined that it would provide defense costs and damages up to \$250,000 per occurrence to the Boosters of Boys and Girls Sports, Inc.

COUNCIL COMMUNICATION

TO: THE CITY COUNCIL
FROM: THE CITY MANAGER'S OFFICE

DATE:
OCTOBER 24, 1986

NO.

SUBJECT:

Boosters of Boys and Girls Sports, Inc. (BOBS)

PREPARED BY: Assistant City Manager

RECOMMENDED ACTION: That the City of Lodi provide defense costs and damages up to \$250,000 per occurrence to the Boosters of Boys and Girls Sports, Inc. (BCBS).

BACKGROUND: The lack of liability insurance has manifested itself in the non-reliability of the liability coverage BOBS once had. The Board of Directors has been without insurance since September 19, 1986. The members of the Executive Board are concerned that their volunteer services have placed their personal net worth in jeopardy.

The Joint Powers Insurance Authority will not share losses with BOBS as it is a separate entity with its own elected Board of Directors. Even if they would share these losses, the City of Lodi would be individually liable for the first \$250,000.

In order to provide some protection to the BOBS Executive Board, it seems appropriate to provide this group at least this minimum protection.
