

CITY COUNCIL MEETING  
NOVEMBER 6, 1935

MANAGEMENT  
BENEFIT PACKAGE  
AMENDED

RES. NO. 85-157

City Manager Peterson apprised the Council that when the Council established the management benefit package, it was designed to add to the present benefits available at that time. All management employees with the exception of the Police Chief and Fire Chief had available to them the long term disability plan. In order to provide a consistent set of benefits to all department heads, the City Manager recommended that the Council make the long term disability plan available to the Police Chief and Fire Chief.

Council adopted Resolution No. 85-157 thereby providing long term disability benefits to the Police Chief and the Fire Chief.

# COUNCIL COMMUNICATION

TO: THE CITY COUNCIL  
FROM: THE CITY MANAGER'S OFFICE

DATE

NO.

SUBJECT: MANAGEMENT BENEFIT PACKAGE

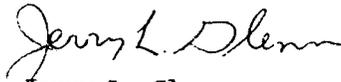

Recommendation: That the City Council provide long term disability benefit to the Police Chief and Fire Chief.

Background: When the Council established the management benefit package it was designed to add to the present benefits available at that time. All management employees with the exception of the Police Chief and Fire Chief had available to them the long term disability plan.

This was because when the City dropped from Social Security all non-safety employees were provided this plan as an offset against the Social Security package.

I have reviewed the present management compensation plan and found the Police Chief and Fire Chief were not included. In order to provide a consistent set of benefits to all department heads, I suggest that the Council make the long term disability plan available to them.

Respectfully submitted,

  
Jerry L. Glenn  
Assistant City Manager
