COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
DATE: October 26, 1984
SUBJECT: Yield Signs at Columbia Drive and Calaveras Street

RECOMMENDED ACTION: That the City Council adopt a resolution establishing yield signs on Columbia Drive at Calaveras Street.

BACKGROUND INFORMATION: This intersection is a cross intersection located within Colony Ranch Subdivision, which was not included in earlier recommendations for yield signs because no one was living in the area at the time. The recommended action is in accordance with the recommendation of George S. Nolte & Associates in their report, "Identification and Surveillance Study for the City of Lodi", to provide traffic controls at all 4-way intersections within the City.
