CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council
 FROM: City Manager
 DATE: November 10, 1983
 SUBJECT: Hutchins Street Square
 Utility Undergrounding

Project Data

Approved in F.Y. Budget: 1983
 Fund: General Fund
 Amount Budgeted: \$15,000
 Total Project Estimate: \$19,500
 Bid Opening Date: Nov. 9, 1983

RECOMMENDED ACTION: That the City Council award the contract for the above project to Deats, Inc. in the amount of \$18,358.35 and appropriate an additional \$4,500 to complete the project.

BACKGROUND INFORMATION: This project includes the installation of conduit along Oak Street fronting the Hutchins Street Square. Pacific Telephone will remove its poles and overhead wire at its expense if the City provides the conduit. Additional conduit is included for future underground power service across Oak St.

Plans and specifications for this project were approved on October 19, 1983.

The City has received the following 8 bids for this project:

<u>BIDDER</u>	<u>LOCATION</u>	<u>BID</u>
Deats, Inc.	Stockton	\$18,358.35
Richard A. Heaps	Sacramento	\$18,655.60
M & M Electric, Inc.	Sacramento	\$20,224.00
Universal Utility Const.	San Diego	\$20,274.00

Hydrox, Inc.	Angels Camp	\$35,176.25
Engineer's Estimate		\$16,002.60

A tabulation of the bids is attached.

The contractor is familiar with telephone company requirements and is acceptable to them.

Since the cost of the project is substantially over the original estimate, an additional appropriation of \$4,500 is necessary if the Council wishes to proceed with the project.
