Dear Mayor:

I am writing to you because you are a recognized leader in your community.

Enclosed you will find a copy of a legislative Resolution 460 proclaiming this coming November 23 through 29 as "1986 California Family Week."

Celebrating Family Week is a young national tradition. The week which includes Thanksgiving Day has historically been selected. I am proud to say that California's cities and counties, and the State Legislature as well, have been leading the other states in giving recognition to this worthy celebration.

Good-quality family life is crucial to the wholesome development of our future generations. Encouraging the celebration of Family Week strengthens society and increases the likelihood of our youth growing up to be law-abiding, civic-minded, self-reliant, creative and productive adult citizens.

As you are a recognized and respected leader, may I suggest that you consider taking the necessary steps to have "Family Week" proclaimed in your community.

Thank you for considering my request.

Yours truly,

DON ROGERS
