COUNCIL COMMUNICATION

FROM: THE CITY MANAGER'S OFFICE

NO.

SUBJECT: SET PUBLIC HEARING FOR TRANSIT NEEDS

PREPARED BY: Assistant City Manager

RECOMMENDED ACTION: That the City Council set a public hearing to obtain citizens comments on transit needs. It is recommended the hearing be set for 11:00 a.m., December 3, 1986, at Loel Center, 105 South Washington Street, and continued to 7:30 p.m. in the City Council Chambers.

BACKGROUND INFORMATION: One requirement for obtaining Transit Funds is to hold a public hearing to obtain citizens comments relative to the City's transit needs.

In order to make the hearing available to the greatest number of people and to the handicapped, we have opened the hearing during the day at a convenient location and then continued it into the regular Council meeting.

For the past few years we have used the facility at Loel Center for this purpose. They have graciously allowed us to again use their facility.

Respectfully submitted,

Jerry L. Glenn
Assistant City Manager
