RECONSIDERATION OF
PERMIT PARKING ON
FLORA STREET

CC-48(1)

Mayor Reid reported on behalf of Council Member Hinchman that Council Member Hinchman had walked the area of Flora Street and found that in the 200 block, out of 14 homes, 13 residents were opposed to permit parking. Based on his observation, he recommended that the Council reconsider the implementation of permit parking in that area.

Following discussion, on motion of Council Member Snider, Olson second, Council requested that reconsideration of permit parking recently established on Flora Street be placed on the agenda for the Regular Council Meeting of December 17, 1986.
