"NO PARKING" ZONES
APPROVED ON KETTLEMAN
LANE AT MILLS AVENUE

RES. NO. 86-168

CC-48(e)

Council was apprised that in response to a concern from the Police Department, Public Works staff performed a sight distance analysis on Kettleman Lane at Mills Avenue. Semi-trucks park on Kettleman Lane in the area of Mills Avenue and cause a sight obstruction for vehicles using Mills Avenue, Lakeshore Drive, and the driveways in the area.

The Police Department has received a number of complaints from various citizens that it is difficult for them to see the oncoming vehicles when trucks are parked adjacent to the intersections.

Council adopted Resolution No. 86-168 establishing the following "No Parking" zones on Kettleman Lane in the vicinity of Mills Avenue:

- I. At driveway (2020 West Kettleman Lane), from 530 feet west of Mills Avenue to 350 feet west of Mills Avenue
- II. At Mills Avenue and driveway (1822, 1900 West Kettleman Lane), from 130 feet west of Mills Avenue to 350 feet east of Mills Avenue.
- III. At Lakeshore Drive, from 175 feet west of Lakeshore Drive to 25 feet east of Lakeshore Drive.

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
MEETING DATE: November 19, 1986
SUBJECT: Approve No Parking Zones on Kettleman Lane at Mills Avenue

RECOMMENDED ACTION: That the City Council establish the following no parking zones on Kettleman Lane in the vicinity of Mills Avenue:

- At driveway (2020 W. Kettleman Lane), from 530' west of Mills Avenue to 350' west of Mills Avenue.
- At Mills Avenue and driveway (1822, 1900 W. Kettleman Lane), from 130' west of Mills Avenue to 350' east of Mills Avenue.
- At Lakeshore Drive, from 175' west of Lakeshore Drive to 25' east of Lakeshore Drive.

BACKGROUND INFORMATION: In response to a concern from the Police Department, Public Works staff performed a sight distance analysis on Kettleman Lane at Mills Avenue. Semitrucks park on Kettleman Lane in the area of Mills Avenue and cause a sight obstruction for vehicles using Mills Avenue, Lakeshore Drive, and the driveways in the area. The Police Department has received a number of complaints from various citizens that it is difficult for them to see the oncoming vehicles when trucks are parked adjacent to the intersections. Recently, an accident occurred at Kettleman Lane and Mills Avenue and the reporting officer felt that the accident was caused primarily because trucks obstructed the motorist's view. As shown in the attached exhibit, staff recommends the no parking zones which should improve the sight distance at the two intersections and the two active driveways.

The no parking request will need approval by Caltrans after City Council approval.
