Following introduction of the matter by City Attorney Stein, and Council discussion, Council on motion of Councilman Katnich, Murphy second, appointed Remy and Associates to assist the City Attorney in the defense of Measure A. The compensation will be at the rate of \$75.00 per hour.

Councilman Hughes addressed the Council stating that there has been considerable discussion between the City Council and the City Manager regarding the assurance of continuity of performance in the positions of City Manager and Department Heads, and I might add, considerable speculation, and that he would like to lay this matter to rest.

RE: MEASURE "A"

Dear Tina and Mike:

Congratulations! The City Council at its meeting of December 9, 1981 appointed you to assist me in the defense of Measure A. The compensation will be at the rate of \$75.00 per hour. I will send you copies of the transcript of the City Council meeting of November 18, 1981 discussing this matter as soon as I receive same from the Certified Shorthand Reporters.

Further, as soon as I speak with Bud Sullivan regarding the preparation of the Agreed Statement, I will contact you so that we can all take part in the preparation of same.

For your information, I am attaching copies of a number of letters and other documents regarding both our Ordinance and the San Luis Obispo Ordinance. Most interesting among these is a letter from the Pacific Legal Foundation discussing our growth control initiative and the Attorney General's Opinion regarding the San Luis Obispo initiative measure.

I am sure we will be in touch very soon and I know that we will enjoy working with one another.

Sincerely yours,

RONALD M. STEIN
CITY ATTORNEY
