SUBJECT:

Award - bid for purchase of Solid State Data Recorders and Associated Software

**RECOMMENDED ACTION:** That the City Council adopt a resolution awarding the bid for the purchase of Solid State Data Recorders and Associated Software to Ace Supply Co., the low bidder meeting the City's specifications. It is also recommended that the option offered by the low bidder for the "Type B" recorders be awarded as well, thus making the total award to the low bidder \$106,435.66.

**BACKGROUND INFORMATION:** On December 2, 1986, bids were received for 110 solid state data recorders, IBM based data handling software and associated programming equipment.

The specifications for this equipment described a complete field-proven hardware and software package supplied and supported by one vendor and able to operate with the City's IBM equipment. An analysis of the bids received indicates that two of the three bidders do meet this requirement.

Funds for this purchase are available in the Electric Utility Department's Utility Outlay Budget. The estimated cost of this purchase was \$111,000.
