TO: THE STATE, COUNTY AND CITY OFFICIALS AND  
INTERESTED PARTIES

PACIFIC GAS AND ELECTRIC COMPANY gives notice that in Application 83-12-03 it has requested authorization effective January 1, 1984, to revise electric and gas tariffs under its Solar Financing Adjustment (SFA). The revised rates will cover 1984 costs of PGandE's portion of the Commission's Demonstration Solar Financing Program.

The proposed rates would increase PGandE's electric revenues by about \$636,000 and its gas revenues by up to \$2,362,000 for the twelve-month period, January 1, 1984 to December 31, 1984.

Because PGandE only seeks to continue to operate a program which has been thoroughly reviewed and previously approved, it is requesting that this application be considered on an ex parte basis, without hearing.

The State, the counties, the municipal corporations and other parties interested in the above-described filing will be furnished copies with related exhibits, upon written request made to PGandE, 77 Beale Street, P.O. Box 7442, San Francisco, California 94120, Attention: Peter W. Hanschen.

This notice is given in accordance with Rule 24 of the Revised Rules of Practice and Procedure of the California Public Utilities Commission.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
