SUBJECT: 1984 GENERAL MUNICIPAL ELECTION

Enclosed herewith are three resolutions for Council action pursuant to the State of California Elections Code.

1. The first resolution sets forth the purpose of the election; establishing nine (9) voting precincts consisting of consolidations of twenty-six regular election precincts in the city, designating the location of each such polling places and appointing the election officers for each voting precinct.

This resolution further sets the compensation for the election workers as follows:

\$45.00 for each inspector

\$36.00 for each judge and clerk

The resolution establishes the rental for each polling place where a charge is made at \$25.00.

Finally, the resolution designates that the polls shall be open from 7:00 a.m. to 8:00 p.m. on Election Day, April 10, 1984.

2. The second resolution establishes City Hall as the official election return center for the April 10, 1984 General Municipal Election.
3. The third resolution authorizes the City Clerk to canvass the results of the April 10, 1984 General Municipal Election.

Daily*

The 1984 General Municipal Election for two council seats will be held Tuesday, April 10, 1984. The terms of Council Member Murphy and Pinkerton are the terms expiring.

By statute a number of actions and decisions must be made by the council prior to the opening of nominations (January 11, 1983).

1. We have enclosed a resolution calling a General Municipal Election to be held April 10, 1984.
2. Section 10012 of the State Elections Code provides that before the nominating period opens, the local agency for that election shall determine whether a charge shall be levied against that candidate for the candidate's statement sent to each voter. Such decision shall not be revoked or modified after the seventh day prior to the opening of the nominating period. A written statement of the regulations with respect to charges for handling, packaging, and mailing shall be provided to each candidate or his or her representative at the time he or she picks up the nomination papers.
3. Further, Section 10012 of the Elections Code provides that the governing body of the local agency may authorize an increase in the limitations on words for such statements from 200 to 400 words.
4. Section 22843 provides that a filing fee proportionate to the costs of processing a candidate's nomination papers as determined by the City Council and set by ordinance, but not exceeding twenty-five dollars (\$25.00), may be imposed, to be paid upon the filing of such nomination papers.
5. Section 22808 of the Elections Code of the State of California provides that a city may by ordinance or resolution limit campaign contributions in municipal elections.

As a matter of information, it should be noted that in years past, the city council elected not to limit the amount of expenditures or contributions for General Municipal Elections; not to charge for the candidates statement, to retain a 200 word limit on candidates statements; and determined that there would be no filing fee charged for the processing of a candidates nomination papers.

Sample resolutions are attached for councils consideration.

SIGN AND ADVERTISING REGULATIONS
FOR
CANDIDATES FOR PUBLIC OFFICE

The Penal Code of the State of California Prohibits the placement or maintenance of any sign, picture or advertisement which is used for the purpose of advertising or which advertises or brings to notice any person, article of merchandise, business or profession or anything that is to be or has been sold, bartered or given away without permission and consent of either the public agency or the owner or occupier of the property. The term 'advertisement' is defined in Black's Law Dictionary as 'notice given in a manner designed to attract public attention.'

In the opinion of the City Attorney, political advertising would fall within the definition mentioned and would be within the prohibition of the State law as noted above. Specifically, the placement of political advertising on utility poles without permission of the owner constitutes a violation of said law.

The City Code of the City of Lodi specifies:

Sec. 15-1. Advertising matter - Distribution on private property.

It shall be unlawful for any person to distribute or throw, or procure anyone to distribute or throw, upon any private yard, lawn, driveway, sidewalk, porch or steps of any residence, or upon or in any part of any structure, or upon any vacant property, or in or upon any motor vehicle or other vehicle in the city, any advertising sample, handbill, dodger, circular, booklet or other notice of commercial advertising; provided, that nothing in this section shall prohibit the distribution and delivery of any newspaper which is capable of being entered or is entered as second-class matter under the provisions of the United States Post Office regulations of March 3, 1879, and other United States Statues.

Sec. 15-2. Advertising matter - Unlawful distribution of.

Any person who shall throw or deposit, or cause or procure to be thrown or deposited, any scraps or pieces of paper, dodgers, handbills, advertising or business cards in or upon any street alley, sidewalk or public place in the city is guilty of a misdemeanor. Nothing provided herein shall be construed to prohibit sticking or placing bills or the attaching of handbills, dodgers or cards to posts or buildings by or with the consent of the owners or persons in charge of the same, or the sweeping or removing of the same into any street, alley, sidewalk or place by any person who did not place or procure the placing of such bills and similar matter in such places.

I have read the above regulations and I hereby certify that I understand said regulations and will adhere to them in my campaign efforts in the City of Lodi. I further understand that failure to adhere to said regulations makes me subject to criminal prosecution.
