ALICE M. REIMCHE  
CITY CLERK  
CITY OF LODI

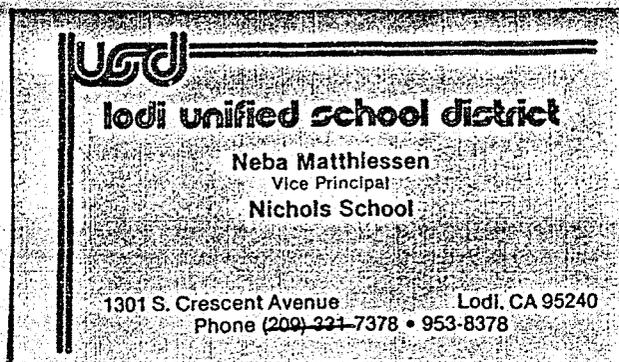

Name: Neba Matthiessen  
Address: 435 Black Oak Way, Lodi 95242  
Telephone: 333-9243  
Date: October 11, 1988

It would be an honor to serve as a member of the Lodi Arts Commission. As a member, I would work individually and cooperatively with the other commissioners to promote and enhance further the visual and performing arts for adults and children residing within and around the City of Lodi.

Art has always been a strong interest of mine. My aunt was an accomplished musician (piano, accordian, flute) and artist (oils, ceramics, copper, aquatint). I have always enjoyed practicing the visual arts (drawing, painting, ceramics, sculpture, textiles, graphics) and learning about art of other cultures. Thus, while I attended the University of California, Davis, I minored in Art and studied with such artists as Wayne Thiebaud, Roland Peterson, William Wiley and Robert Arneson.

In the last few years, I have also developed an awareness and appreciation for the performing arts. I especially enjoy and promote the ballet and live theater.

I believe art is a medium of universal self-expression which communicates the beliefs, values, traditions and feelings of people and their culture. As a member of the Lodi Arts Commission, I would facilitate the development and promotion of all forms of art to enhance further the awareness, understanding and appreciation of humanity.

Pursuant to the State of California Political Reform Act, if appointed to the Lodi Recreation Commission, it will be necessary for you to file with the City Clerk of the City of Lodi, Statements of Economic Interests.

Filings must be made annually, at the time of assuming office and at the time of leaving office. All filings are public information and are available for inspection by the public. Should you have any questions regarding these filings, please do not hesitate to call the City Clerk, Alice M. Reimche, at 333-6702.

A copy of Resolution No. 3293 - A Resolution providing for a Recreation Commission for the City of Lodi and establishing a system of Recreation and repealing Resolution No. 1571.

Please indicate your interest in the public recreational programs; group affiliations, experience; and reasons why you are interested in serving on the Lodi Recreation Commission.

Lodi provides great recreational programs for all age and interest groups, with potential for ever greater service. I would like to be a part of developing that potential. Lodi's Recreation Department has kept pace with the city's growth and must continue to plan ahead for future development of both facilities and programs.

There are numerous experiences in my background and education which qualify me to be on the Lodi Recreation Commission. As a high school and college student, I worked as a playground director, summer camp counselor, officiating supervisor, Boy Scout and Explorer Scout Leader, YMCA camp counselor, and pool life guard. My major at San Jose State College was physical education. Following graduation, I was employed by the San Francisco Recreation Department.
