MEETING DATE: January 15, 2014

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Approve plans and specifications and authorize advertisement for bids for Lodi West Wall Replacement, 2560 Paradise Drive.

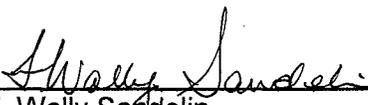

BACKGROUND INFORMATION: In September 2013, a vehicle hit the 8-foot high block wall and entrance sign at 2560 Paradise Drive. The wall and sign were damaged beyond repair and need to be fully removed and replaced.

The project consists of removing 22 linear feet of 8-foot wall, removing the entrance sign, reconstructing the wall with the matching stone, replacing the entrance sign, and other incidental and related work, all as shown on the plans and specifications for the project.

The plans and specifications are on file in the Public Works Department. The planned bid opening date is February 12, 2014. The construction estimate is \$15,000.

FISCAL IMPACT: The project will not have an impact to the maintenance costs of the facility but will reduce the City's liability associated with a damaged structure.

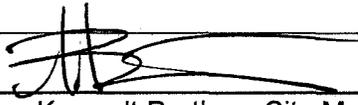

FUNDING AVAILABLE: Funding will be identified at project award.
