

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Authorizing Purchase of 2014 Leeboy 8500C Asphalt Paver from Nixon-Egli Equipment Company, of Tracy (\$137,760.48) and Appropriating Funds (\$37,760.48)

MEETING DATE: March 19, 2014

PREPARED BY: Public Work Director

RECOMMENDED ACTION: Adopt resolution authorizing purchase of 2014 Leeboy 8500C asphalt paver from Nixon-Egli Equipment Company, of Tracy, in the amount of \$137,760.48 and appropriating funds in the amount of \$37,760.48.

BACKGROUND INFORMATION: Unit No. 04-367, a 1990 Layton paver slip box (Exhibit A), has exceeded the life expectancy for this type of equipment. While total repair costs for Unit No. 04-367 are \$6,143.97, the existing slip box is undersized, has outdated controls and is not well suited for paving operations associated with alley repairs.

The purpose of the new paver is to perform asphalt maintenance work in alleys and repair deteriorating pavement areas within the City.

Staff recommends replacing Unit No. 04-367 with a 2014 Leeboy 8500C asphalt paver from Nixon-Egli Equipment Company, utilizing Governmental National Joint Powers Alliance Contract No. 113014-VTL.

Per Lodi Municipal Code Section 3.20.045, State and Local Agency Contracts, the bidding process may be waived when it is advantageous for the City, with appropriate approval by the City Manager and City Council, to use contracts that have been awarded by other California public agencies, provided that their award was in compliance with their formally-adopted bidding or negotiation procedures.

FISCAL IMPACT: The budget expense will assist the Municipal Utility Services Division in its continuing efforts to maintain the City of Lodi's asphalt patch paving.

FUNDING AVAILABLE: Vehicle Replacement Program (3251201.7851): \$100,000

Requested Appropriation:
Measure K (325): \$37,760.48
