

**CITY OF LODI  
COUNCIL COMMUNICATION**

**AGENDA TITLE:** Adopt Resolution Approving One-Time 2014 Adjustments and Other Revisions to Statement of Benefits with Lodi Fire Mid-Management and Appropriating Funds (\$20,100)

**MEETING DATE:** March 19, 2014

**PREPARED BY:** Deputy City Manager

**RECOMMENDED ACTION:** Adopt resolution approving one-time 2014 adjustments and other revisions to Statement of Benefits with Lodi Fire Mid-Management and appropriating funds.

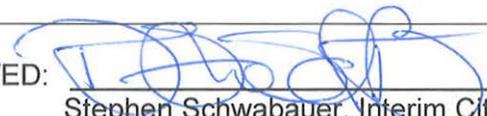

**BACKGROUND INFORMATION:** Staff and the Lodi Fire Mid-Management have reached a tentative agreement on their 2014 Statement of Benefits (SOB), subject to the approval of Council. The base compensation concept is to pay a base \$2,300 per employee benefit on a one-time, non-PERS-able basis in the 2014 MOU year as a partial restoration of past concessions that helped the City through the recent recession. Additionally, staff is recommending approval of an increase in the City-paid medical cap to the January 1, 2014 rate of the lowest cost HMO offered by CalPERS in the Lodi geographical area. In order to bring Fire Mid-Management closer as a percentage of salary to the previously approved MOUs, staff is also recommending a one-time, non-PERS-able additional uniform allowance payment equal to one percent of employee's base salary to all members of this bargaining group.

The medical cap proposal is defined in detail below and is to be effective January 1, 2014:

	Current	Proposed	Difference
Single	\$610.44	\$657.33	\$46.80
Employee + 1	\$1,220.88	\$1,314.66	\$93.76
Family	\$1,587.14	\$1,709.06	\$121.92

A redline strikeout version of the SOB is attached for Council review and approval. The redline version reflects several housekeeping items, including changes mandated by the recent pension reform legislation.

Lodi's employees have agreed to voluntary decreases in total compensation in every year from 2009 through 2012. When the 2012 MOUs expired, Lodi's employees agreed to permanent reductions in total compensation of 9 percent in safety and 7 percent in miscellaneous. These voluntary employee reductions have allowed the City to survive the Great Recession, stabilize its weak reserve and perform needed capital improvements. During this same period, the cost of living has increased by 11.8 percent (San Francisco-Oakland-San Jose CPI-U).

APPROVED:   
 Stephen Schwabauer, Interim City Manager

The additional compensation contemplated in these agreements is structured as a one-time payment. While some have characterized the package as a bonus, that is not the intent of the one-time structure. Increases in base pay come with a total employment cost multiplier. Overtime costs and retirement costs go up with adjustments to base pay. Given PERS projected increases, staff structured these contracts on a one-time basis to avoid expanding on those costs. While other local governmental employers have agreed to modest pay scale adjustments, staff believes Lodi's proposed one-time structure is the more fiscally sound approach in the current governmental economic climate.

Lodi certainly faces funding challenges ahead and must plan for them. It also faces continued fiscal stress to a work force that contributed significantly to addressing the fiscal impact of the Great Recession. Although the \$800,000 surplus over our reserve target could certainly be invested in other fashions, the proposed contracts strike an appropriate balance on a one-time basis between those competing interests.

**FISCAL IMPACT:** Total calendar year cost of the proposal equals \$23,000, of which \$20,100 is applicable to Fiscal Year 2013/14. The 2013/14 component of this proposal is not included in the 2013/14 budget and will require an appropriation. Funding is available from the General Fund dollars in excess of the 2013/14 reserve target.

**FUNDING AVAILABLE:** Funding for this item will be provided by funds in excess of the General Fund reserve target established by Council.

Deputy City Manager

**ARTICLE XXXI – DEPARTMENT SANCTIONED TEAMS**

- 31.1 It is the intent of the City to develop specialized teams to address a variety of special hazards and provide specialized services to the department or community. When a team is established, minimum standards for inclusion and retention as a team member shall be developed and ratified by the Fire Chief. Any member of the department who becomes a member of a recognized specialized team, shall receive a 2.5% salary increase for as long as he/she meets the minimum entry level requirements and maintains a minimum level of participation as outlined in the team membership requirements. Each employee of the department can only receive 2.5% of salary for team membership, regardless of the number of teams the employee belongs to.
- 31.2 Existing members of the Hazardous Materials Team shall remain members of the team and shall continue to receive the 2.5% salary increase. The three members of the department who meet the minimum requirements for inclusion on the Hazardous Material Team shall be able to join the team and receive the 2.5% salary increase upon ratification of this contract. However, no additional team members shall be assigned to the Hazardous Material Team until the membership falls below 12 members. There shall be a six month period for the team to develop acceptable performance standards for maintaining his/her membership on the team.
- 31.3 The development of new teams shall require the submittal of minimum entry level and performance criteria for maintenance of membership to the Fire Chief prior to the development of the team. The Fire Chief shall have the sole discretion as to the appropriate number of members per specialized team. The department shall make every effort to develop a cadre of specialized teams to adequately address the needs of its members.
- 31.4 Upon ratification of the MOU, the 2.5% salary increase resulting from membership in the above sanctioned teams shall be incorporated into salary and the incentive shall be eliminated. Each member of the department shall be a member of a sanctioned team and the scope and nature of the teams shall remain as detailed in this Article.
