

**CITY OF LODI
COUNCIL COMMUNICATION**

AGENDA TITLE: Adopt Resolution Approving Purchase of Transit Fare Collection Vault Equipment from Sole Source GFI GenFare, of Elk Grove Village, IL (\$41,083.41)
MEETING DATE: December 18, 2013
PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt resolution approving purchase of transit fare collection vault equipment from sole source GFI GenFare, of Elk Grove Village, IL, in the amount of \$41,083.41.

BACKGROUND INFORMATION: The City of Lodi received Proposition 1B funds from Transit Safety, Security and Disaster Response Account (TSSSDRA) for automated fare box equipment. Automated fare boxes have been installed on all the transit fleet vehicles. Fares have increased with the automated fare boxes since they provide the drivers with a mechanism to verify collected funds.

The next phase of the project is to install a stationary vault (Exhibit A) for drivers to empty the collected fares from the bus fare boxes into a stationary vault. The proposed vault will be located inside the north end of the dispatch building, providing a mechanism to securely transfer collected bus fares into the vault. The vault automatically separates coins from bills to facilitate the counting process. Currently, the dispatchers manually carry the fare boxes to the transit station counting room that is less secure than a stationary vault. Approximately \$200,000 in fares are collected each year.

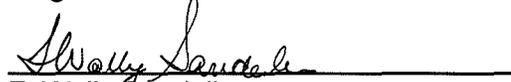

Under a separate contract, City staff will retain a contractor to install the vault at the transit station.

In September 2011, City Council adopted a resolution approving the standardization of the GFI GenFare fare box equipment and waiving the formal bidding process. The current fare boxes are only compatible with the proposed GFI GenFare vault.

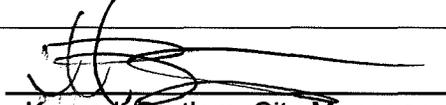

FISCAL IMPACT: Purchase of the transit fare collection vault equipment will provide safe and secure transfer of passenger revenues to the transit station counting room, reducing the chance of theft.

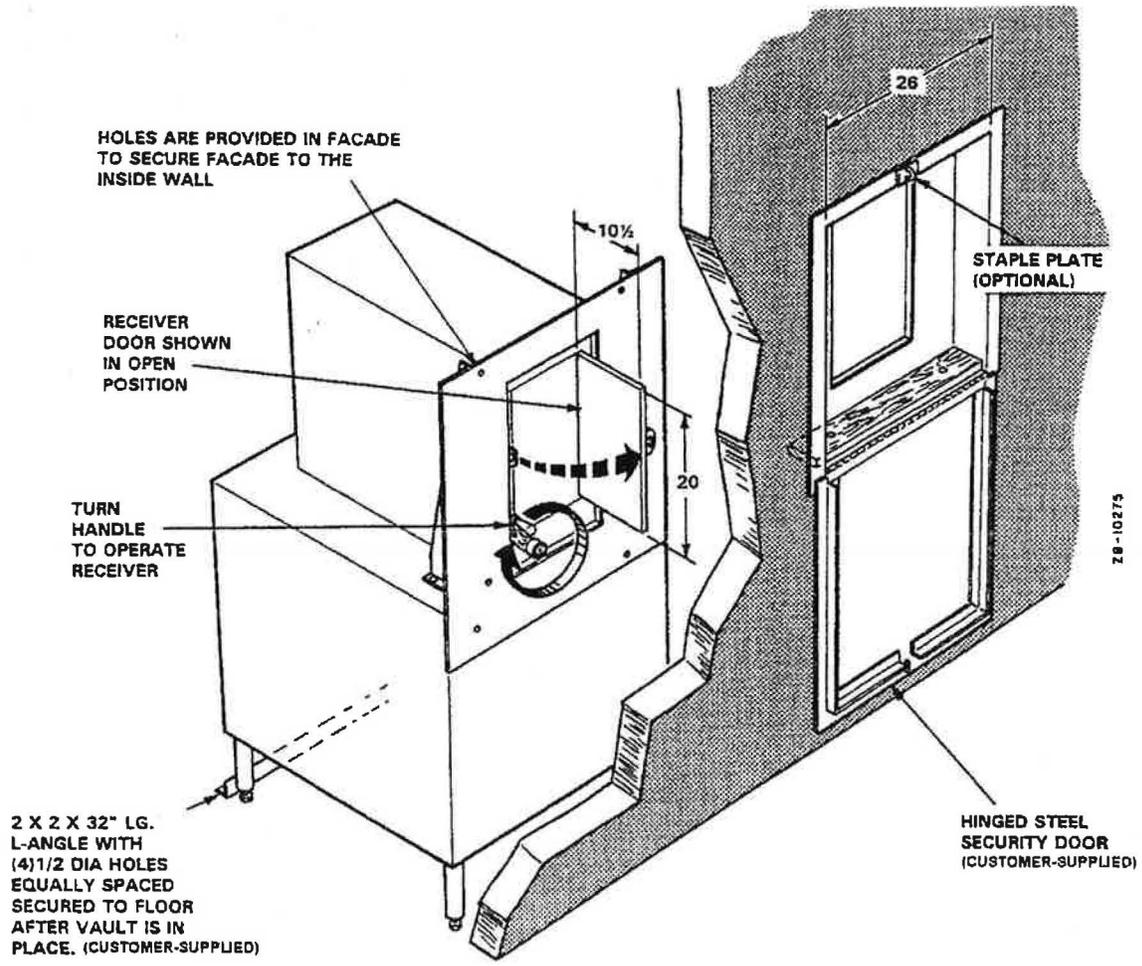

FUNDING AVAILABLE: Funds have been appropriated in FY 2013/14 capital equipment purchase (125285.7718).

RESOLUTION NO. 2013-215

A RESOLUTION OF THE LODI CITY
COUNCIL APPROVING PURCHASE OF
TRANSIT FARE COLLECTION VAULT
EQUIPMENT FROM GFI GENFARE

=====

WHEREAS, the City of Lodi received Proposition 1B funds from Transit Safety, Security and Disaster Response Account (TSSSDRA) for automated fare box equipment, and automated fare boxes have been installed on all the transit fleet vehicles; and

WHEREAS, the next phase of the project is to install a stationary vault at the north end of the dispatch building, providing a mechanism to securely transfer individual fares from the buses to the vault and automatically separating coins and bills prior to the counting process; and

WHEREAS, in September 2011, City Council adopted a resolution approving the standardization of the GFI GenFare fare box equipment and waiving the formal bidding process. The current fare boxes are only compatible with the GFI GenFare vault.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council does hereby approve the purchase of transit fare collection vault equipment from GFI GenFare, of Elk Grove, Illinois, in the amount of \$41,083.41.

Dated: December 18, 2013

=====

I hereby certify that Resolution No. 2013-215 was passed and adopted by the City Council of the City of Lodi in a regular meeting held December 18, 2013, by the following vote:

AYES: COUNCIL MEMBERS – Hansen, Johnson, Mounce, and
Mayor Katzakian

NOES: COUNCIL MEMBERS – None

ABSENT: COUNCIL MEMBERS – Nakanishi
