9. COMMENTS BY CITY COUNCIL MEMBERS ON NON-AGENDA ITEMS

- a) Council Member Pennino updated the City Council on recent actions of the San Joaquin County Council of Governments (COG). It recently authorized a cooperative agreement with Caltrans for the widening project of I-205 near Tracy and advanced some of the Measure K funds which will speed up the project by approximately two years. COG also received word that the emergency Call Boxes, which citizens are already paying for through the Department of Motor Vehicles (DMV) fees, will be installed in San Joaquin County in June, 1994.

Mr. Pennino also announced that the Lodi Leadership Prayer Breakfast will be held on Friday, May 6, 1994 at the American Legion building.
FILE NO. CC-7(n)

- b) Council Member Davenport also mentioned that there will be a 12:00 noon prayer session on the same day and those interested should contact Bruce Logue. Council Member Davenport thanked everyone for attending the Council meeting and made the following comments: (1) Urged everyone to be ever mindful of the gang situation and to support the Gang Alternative Project's (GAP) efforts; (2) Thanked the many citizens who telephoned him to wish him "Happy Birthday" on his 50th birthday; (3) Received many phone calls from citizens regarding the misprint on watering days that was published in the newspaper and was glad to see it corrected; (4) Requested that the City Manager give a report regarding the Shirtsleeve Session of May 3, 1994 in which the Code Improvement Officer from San Mateo made a presentation regarding its program. City Manager Peterson stated that the session dealt with the consideration of fees for health and safety inspections of rental properties and, at this time, is information only. If the Council is interested, the matter will be brought to a City Council meeting. Mr. Davenport further expressed his dissatisfaction with the local Health Department and the lack of assistance the City receives from it. Mr. Davenport feels the City should hire a health officer and believes Frank Beeler, who is employed in the Municipal Service Center, would be qualified to fill this position. Further, Mr. Davenport would like the Fire Department to provide voluntary home inspections for possible fire and safety hazards as the department used to do; (5) Would still like to see the Shirtsleeve Sessions changed to the evening; (6) Informed the public that the City Clerk and the Deputy City Clerk recently attended the City Clerk's Association of California (CCAC) conference in Napa and asked the City Clerk for a report. Mrs. Perrin responded that a report will be forthcoming; (7) Informed the public that Council Member Mann recently attended a downtown revitalization conference in Monterey and requested a report on the matter. Mr. Mann responded that he is planning to give a report under "Comments by the Council" segment when it is his turn; (8) Requested an update from the Public Works Director regarding the speeding and trucking problem along Century Boulevard that was discussed at the last City Council meeting. Mr. Ronsko informed the Council that several letters have gone out to the local trucking companies, and he has received some feedback from companies who are willing to limit their use of Century Boulevard; (9) Would like an update regarding the golf driving range; however, he will wait until the City Attorney returns; and (10) Offered Virgil Whalen, retired fire fighter, best wishes for a quick recovery during his illness.

He is encouraged with what he heard from the conference and is happy to see other areas being revitalized successfully. Mr. Mann has no doubts that the revitalization efforts will work here, and the City of Lodi's approach seems to be correct so far. Mr. Mann commented that an article was seen that Reno recently hired Freedman, Tung & Bottomley to revitalize its downtown.

Mr. Mann sent congratulations to Annie Erwin of Lodi High School who won the high school debate contest in Sacramento.

FILE NO. CC-72 AND CC-400

- d) Council Member Snider shared some of the citizen complaints he received regarding the length of City Council meetings. Many citizens complain about waiting until 12 - 1 a.m. to discuss an item of concern. Others complain that certain items of interest on the Regular Calendar are removed; however, it is not announced until late in the meeting. Mr. Snider passed on the following suggestions he received to the City Council:

- Move the Consent Calendar to the end of the agenda;
- Move "Comments by the Council" and "Comments by the Public" segments to the end of the agenda;
- Stop televising Council meetings to avoid "grandstanding";
- Limit discussion;
- Complaints of too much repetition; and
- Advise the public at the beginning of the meeting if an item on the Regular Calendar will be removed.

Mayor Sieglock commented on the last Downtown and Cherokee Lane Revitalization Workshop and the exciting ideas that have surfaced, including the possibility of a "Town Square" and moving the train station a bit towards the south. There is still a long way to go, and Mr. Sieglock encouraged the public to continue with its input.

Mayor Sieglock announced that Thursday, May 5, 1994 will be National Day of Prayer at Zion Reformed Church, 105 South Ham Lane.

Mayor Sieglock informed the City Council that he attended his first meeting of the San Joaquin Partnership. There is an aviation company looking to relocate in the San Joaquin area and an invitation to locate in Lodi will be relayed to them.

Mayor Sieglock expressed his belief that the Shirtsleeve Sessions should remain at 7:00 a.m. There are a lot of other meetings and functions in the evening, and many people spend quality family time during the evenings.

Mayor Sieglock also thanked the City Clerk for collecting the anonymous fliers that were passed out around the Council Chambers prior to the meeting. These fliers were rude and done in poor taste.

- c) John Young, Lodi, commented on the \$2.5 million budget shortfall for the 1994-95 year and suggested the following:
 - That Administration employees cut salaries across the board by 15% (except Police and Fire employees);
 - That the City combine the Fire and Police Departments to be directed under a Public Safety Director; and
 - That the City of Lodi stop subsidizing the Old Lodi Union High School Site Foundation to keep Hutchins Street Square in business.

Mr. Young realizes this may be an unpopular request; however, the City needs to rectify the \$2.5 million budget shortfall. Mr. Young also urged that the City Council not implement long-term projects with short-term funds.

Ms. Ummel feels it is unfair that only one or two candidate are being focused on. She has a good track record regarding her finances, and people should look at each candidate. Ms. Ummel hopes that more candidates will come forth before the Council to express their thoughts.
