

COUNCIL CHAMBERS -- CITY COUNCIL
CITY HALL -- CITY OF LODI
WEDNESDAY, AUGUST 16, 1939.

The City Council of the City of Lodi met in regular session at 8:00 o'clock P.M. on Wednesday, August 16, 1939, Councilmen Clark, Graffigna, Spooner, Weihe and Steele (Mayor) present, none absent.

The minutes of the last regular meeting held August 2, 1939 and of the adjourned meeting therefrom held August 9, 1939 were read, approved as read and so endorsed by the Mayor.

Mr Ezra Ehrhart of the Lodi Motorcycle Club applied orally for permission to use part of Pioneer Park as a motorcycle race track during the coming Grape & wine Festival, which use would entail the removal of several almond trees on the westerly end of the park property. The Mayor appointed Councilman Weihe as a committee of one, with full power to act, to consider the advisability of granting the Club's request.

The application of Henry and Olga Zilke for permission to operate an auto camp on Lots 9, 10, 20 & 21 of the "Zilke Subdivision" was ordered referred to the petitioners with the direction that they obtain the written consent of near-by property owners and resubmit their application in accordance with the provisions of existing ordinances.

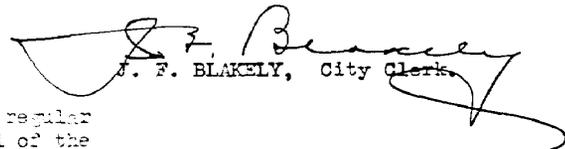

Social Service Memorandum No. 45 was received from the State Relief Administration and ordered filed for future consideration.

This being the date to which the hearing of property owners in the proposed annexation of "Tenth Addition" had been postponed from August 9, 1939 and the matter coming on to be heard, no protests were received or presented, but, at the application of the City Clerk, concurred in by the City Attorney, the hearing was again adjourned to September 6, 1939 in order that a study might be made of acts of the last Legislature affecting annexations of territory and election procedure. This was done on motion of Councilman Clark seconded by Councilman Weihe.

The Council then entered into discussion of the proposed garbage ordinance introduced August 2, 1939, Mr E.L.Haynie of 415 East Pine Street requesting information as to garbage disposal by private conveyance. The ordinance was ordered laid over until the next meeting so that the Clerk could consider the changes necessary in his accounting procedure to take care of collection of fees.

On motion of Councilman Spooner, seconded by Councilman Weihe, the Chief of the Fire Department was authorized to purchase fire hose as needed at a price not to exceed 90¢ per linear foot.

At 9:45 o'clock P.M. the City Council adjourned on motion of Councilman Weihe.

J. F. BLAKELY, City Clerk.

The foregoing minutes of a regular meeting of the City Council of the City of Lodi held August 16, 1939 were read at a subsequent meeting of said City Council held September 6, 1939 and approved without correction.

MAYOR OF THE CITY OF LODI.
