

COUNCIL CHAMBERS--CITY COUNCIL  
CITY HALL--CITY OF LODI

Monday, December 24, 1934

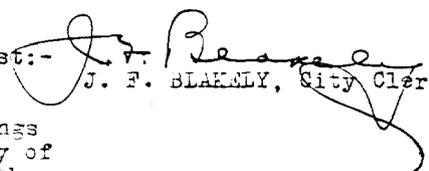

Pursuant to the adjournment taken from the regular meeting of December 17th, the City Council of the City of Lodi met at 10.00 o'clock A.M. on the date above written, Councilmen Clark, Spooner, Weihe and Steele present, Councilman Keagle absent on account of illness.

There being no persons in attendance, the Council moved to the offices of the City Engineer on the first floor of the City Hall and the Mayor opened the meeting.

City Attorney Glenn West addressed the Council in regard to progress being made toward approval of the City's application to the Public Works Administration for a grant and loan where-with to build an hydro-electric power plant. He stated that the application had passed all departments of the P.W.A. and was now before a special Board of Review. After the reading of several telegrams and correspondence, the Mayor was authorized to send a telegram to Washington stating that the City Council would not consider the calling of another election on this project unless it had absolute confirmation that the Public Works Administration would make a loan and a satisfactory grant.

It appearing that a discount of \$17.50 would be allowed on 700 sacks of Portland Cement purchased from Elliot Lumber Company if the bill were paid before December 30, 1934, the bill, less this discount, was ordered paid on motion of Councilman Spooner, Clark second. This bill was for cement to be used in S.S.R.A. projects and included sacks subject to rebate at 10¢ each on return of same.

At the order of the Mayor, none dissenting, the Council then adjourned to and until the day and hour of its next regular meeting.

Attest:-   
J. F. BLAKELEY, City Clerk.
