

City Hall, Lodi, Cal., January 19, 1920.

The Board of Trustees of the City of Lodi convened in regular session at 8 o'clock p.m., there being present Trustees Black, Hale, Crose, Morehead and Montgomery.

Minutes of the regular adjourned meeting of January 12th were read and approved.

The application of O. E. Klockenteger for appointment to the position of City Marshal, in case there should be a vacancy, was read and ordered filed.

William Schnabel was granted a permit to move a corrugated iron building from Vine street to lot 21, block 7, East Lodi.

Nine building permits were read, granted and ordered filed.

Upon motion of Trustee Montgomery, seconded by Trustee Crose, the Superintendent of Streets was directed to investigate and ascertain the cost of street traffic buttons, to be used in place of the present traffic signs, and report his findings to the Board.

Upon the suggestion of City Attorney Steele the President of the Board appointed the Finance Committee of the Board to act in conjunction with the City Attorney to investigate the matter of having the County make the property assessment and collect the taxes as provided by State law.

The President of the Board reported that applications for the privilege of connecting outside property with the City's sewers had been received. Discussion brought out the fact that a precedent had been established by denying such requests in the past, therefore no action was taken.

Trustee Montgomery moved, seconded by Trustee Crose, that the Superintendent of Streets be appointed tree officer; that the salary be increased \$10 a month, and that the City furnish such officer with a conveyance for the use of his department. The motion was carried by unanimous vote of the Board.

Miscellaneous claims amounting to \$112.63, having been passed by the Finance Committee, were allowed and ordered paid.

In the matter of the improvement of East Oak Street in the City of Lodi, under Resolution of Intention No. 25, the City Clerk reported that no protests had been presented or filed against the issuance of bonds upon the security of the unpaid assessments.
