

Municipal Building, Lodi, California, June 16, 1913.

In regular session of the Board of Trustees of the City of Lodi, the following trustees being present: C.A. Black, G.E. Lawrence and C.A. Rich. Absent: Trustees J.M. Blodgett and F.C. Hale. President Lawrence presiding.

The minutes of the meeting of June 9, 1913, were read and approved.

The following applications for building permits were read and granted:

R. Senner, school bldg. on lots 7&8 block 12;
A. Babel, garage on lot 7 block 6, E. Lodi.

The application of Geo. McCann for permission to construct a carpenter shed on lot 1 block 37 was laid on the table for one week and the Clerk instructed to ask Mr. McCann to appear before the Board next Monday evening to explain the full nature of the building proposed to be erected.

The report of the Plumbing Inspector for the month of May was read and filed.

The report of Fire Chief Stark of the number of fires occurring during the last nineteen months with causes and locations of same, and invoice of apparatus, was read and, on motion of Rich, accepted and filed. The chief was requested to give more detailed information particularly as to the property loss.

A communication from Lodi Fire Department relative to a "Weed Commissioner" was read and laid on the table, and the Clerk instructed to try to get a copy of the new state law on weeds.

A notification from the Fire Department of the election of E.H. Stark as chief, A.P. Krumb as first assistant chief, and A.P. Wakefield as second assistant chief was read and, on motion, the election of the above mentioned officers was confirmed.

A recommendation from Supt. Henning that a collector be sent out on the 11th of each month to collect delinquent water and light bills was read and referred to Public Utilities Committee.

In regard to the matter of a street light at the corner of Hutchins and Locke Ford Streets, Supt. Henning reported that none of the people in that section were patrons of the light plant and consequently it would take considerable line to reach the proposed light. The matter was left on the table.

H.M. Stanley of the East Side Imp. Club complained that on East Pine Street the poles of the telephone company were not on the proper line, and suggested that an ordinance be passed requiring poles to be placed in the alleys. Referred to Street Committee.

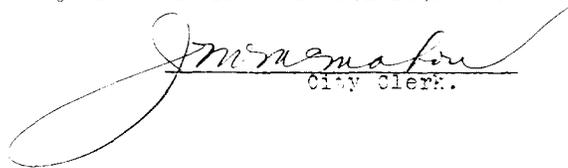

Trustee Black suggested that the City Engineer run the property lines of the city lot at the corner of Sacramento and Lodi Avenue as Marshal Coleman had been receiving complaints that pipe was being piled on the street space. On motion, the Engineer was instructed to make the necessary survey and mark the corner with stakes.

Supt. Henning took up the communication of Geo. E. Henton and answered the various statements therein, denying that he had attempted to influence any person to quit Henton and take city water. He stated that they had used Mr. Henton's engine for water for flushing ditches, and the Clerk was instructed to advise Mr. Henton to file a claim for the service.

The matter of the boundaries of the district proposed to be annexed to the city on the west was taken up, and the clerk requested to confer with the parties interested and, if necessary, arrange for a conference with the Board on the matter.

On motion, the Board adjourned until June 23, 1913, at the usual hour and place.

Attest:

City Clerk.
