The proposed amendment, amending the Title by striking out the word "eighteen" and inserting instead thereof the word "sixteen" and striking out the words "or to frequent such place" and the words "or from frequenting any such place", amending Section 1 by striking out the word "eighteen" and inserting instead thereof the word "sixteen" and striking out the words "or to frequent any such place", and amending Section 2 by striking out the word "eighteen" and inserting instead thereof the word "sixteen" and striking out the words "or frequenting any such place where billiards or pool is played for a charge", was then read, and question put on the adoption of the proposed amendment.

Messrs. D. W. Bird, A. T. Searle, C. L. Van Buskirk, S. S. Murphy, and Jno. T. Magee spoke in opposition to the proposed amendment, and President Lawrence suggested that perhaps the ordinance could be so drawn as to meet the approval of all parties, by providing for the partit-
