

**CITY OF LODI  
INFORMAL INFORMATIONAL MEETING  
"SHIRTSLEEVE" SESSION  
CARNEGIE FORUM, 305 WEST PINE STREET  
TUESDAY, APRIL 30, 2002**

An Informal Informational Meeting ("Shirtsleeve" Session) of the Lodi City Council was held Tuesday, April 30, 2002 commencing at 7:00 a.m.

**A. ROLL CALL**

Present: Council Members – Howard, Land, and Mayor Pennino

Absent: Council Members – Hitchcock and Nakanishi

Also Present: City Manager Flynn, City Attorney Hays, and City Clerk Blackston

**B. CITY COUNCIL CALENDAR UPDATE**

City Clerk Blackston reviewed the weekly calendar (filed).

**C. TOPIC(S)**

C-1 "Kettleman Lane Widening Project, Lower Sacramento Road to Ham Lane, and Stockton Street to Cherokee Lane"

Paula Fernandez, Senior Traffic Engineer, introduced Rob Himes consultant from Mark Thomas and Company.

Mr. Himes reported that his company has been working on the Kettleman Lane Widening Project for approximately one year. It is a safety and traffic operations improvement project and extends from Lower Sacramento Road to Cherokee Lane. While reviewing wall maps of the project, Mr. Himes explained that the improvements to the segment between Tienda and Ham Lane are to provide two through lanes in the westbound direction, eliminating the merge, improving the pavement, and filling in gaps with curb, gutter, and sidewalk. It will also provide a continuous bike lane and pedestrian access in that segment. Another portion of the project is to construct a landscape median to control crossover turns. He explained that when the Average Daily Traffic (ADT) reaches 24,000 to 25,000 cars a day it becomes important to control crossover turns due to the increased number of accidents. Route 12 is a Caltrans facility and they have accident records for the past three years, which indicate that segments on Kettleman Lane between Ham Lane to Lower Sacramento Road and Stockton Street to Cherokee Lane have two times the state average of what is expected for accidents. Many of the accidents are due to rear-end collisions and sideswipes, which are indicative of cars turning in and out of driveways and using the center lane. The ADT for Kettleman Lane is currently 27,000 and projected to increase.

Improvements to the segment between Stockton Street and Cherokee Lane will include a raised median. The existing signals would stay in place. Left turns would be provided at Stockton Street, Central Avenue, and a second left-turn lane would be added at Cherokee Lane. Staff is working with Pacific Gas and Electric and PacBell in the hope of eliminating poles and placing the lines underground.

Mayor Pennino supported placing lines underground whenever possible and believed the City should have a policy for doing so.

Council Member Howard noted that a letter was received from Les Appliance with concerns about entrance and exit capabilities for their delivery trucks.

Mr. Himes stated that he was aware of concerns expressed by Les Appliance and he and City staff will be meeting with the owner to discuss the issues.

Council Member Land stated that he received a call from groups in the Lakeshore professional offices on the 1800 block of west Kettleman Lane questioning how they would enter the property.

Mr. Himes stated that with the proposed plan they would have to make a U-turn at Mills Avenue.

Public Works Director Prima added that when the property develops there will be access through Lakeshore.

Council Member Land suggested putting in a temporary turn lane near the day care property, or the driveway to the east, due to heavy traffic congestion in that area.

Ms. Fernandez reported that landscaping on the Kettleman Lane widening project will include ground cover, bushes, and one primary tree (red bark eucalyptus) designed for drought tolerance and low maintenance. Two public meetings on this project have been held, at which approximately 30 people attended each meeting. Staff also plans to put dual lefts into the Walmart shopping center driveway.

Mr. Himes reported that the preliminary design on the project began at the end of 2000. The project study report, which established a cost estimate and schedule has been completed and signed off by Caltrans. The environmental process has also been completed and found that there were no significant impacts on the project. Right of way plats and descriptions for two or three acquisitions and public utility easements have been developed. Appraisers have been meeting with the property owners. Appraisals are anticipated to be complete the first week of May. Final design and construction plans are at 65% completion. Caltrans has been reviewing them and comments are expected back within two weeks. Subsequent to that, revisions to the plans will be made with completion anticipated by September 2002. Right of way acquisition will take place in August or September and relocation of the lines will be done in the fall and winter months. It is hoped to go out to bid in January and start construction of the six-month project in March 2003.

Diane Grindall, San Joaquin Council of Governments (SJCOG), reported that Lodi was successful in securing \$2.6 million in federal funding from the state Transportation Improvement Program, which flows through SJCOG. She explained that projects are selected by the SJCOG board and ultimately the funding is approved by the California Transportation Commission. Due to the state's cash flow situation the \$2.6 million has been approved for the project, but the money has not been programmed until 2006-07. SJCOG and City staff are mobilizing to examine the following options to meet the schedule:

1. Request approximately \$500,000 of the money from the California Transportation Commission for the right of way phase.
2. Determine whether the federal funds can be exchanged for other funds that can flow during the summer.
3. Secure a loan provision, which allows a local agency to proceed in delivering a project with its own funds and get paid back when the cash flow is available.

In reply to Council Member Howard, Ms. Grindall stated that the way the loan program works, it will eventually become a wash. She explained that though the work would take place on schedule, the funding would be escalated to the cost of the project in 2006-07.

David Casey of Caltrans stated that Tony Singh is the project manager for the Route 12 area. Mr. Casey stated that City staff has been a pleasure to work with throughout the process and had a clear vision for the project at the outset and for the importance of the medians.

*Continued April 30, 2002*

**PUBLIC COMMENTS:**

- Bob Johnson asked whether traffic heading westbound would be able to turn left onto Lakeshore.

Ms. Fernandez replied in the affirmative.

**D. COMMENTS BY THE PUBLIC ON NON-AGENDA ITEMS**

None.

**E. ADJOURNMENT**

No action was taken by the City Council. The meeting was adjourned at 7:40 a.m.

ATTEST:

Susan J. Blackston  
City Clerk

## Mayor's & Council Member's Weekly Calendar

### WEEK OF APRIL 30, 2002

#### Tuesday, April 30, 2002

- 7:00 a.m. Shirtsleeve Session  
1. Kettleman Lane Widening Project, Lower Sacramento Road to Ham Lane, and Stockton Street to Cherokee Lane
- 7:00 a.m. Special Meeting  
1. Prospective lease of property located at 100 East Pine Street, the negotiating parties are the City of Lodi and the Lodi Adopt-A-Child Foundation; price and terms of the lease are under negotiation

#### Wednesday, May 1, 2002

- 9:00 – 12:00 p.m. **Pennino.** Career Day at Houston/Henderson Middle Schools.
- 7:00 p.m. City Council meeting  
(Closed Session meeting – 5:30 p.m.)

#### Thursday, May 2, 2002

- 11:30 – 1:00 p.m. National Day of Prayer, Veterans Plaza Area.  
Special music, speakers, and corporate prayer.
- 8:00 – 10:00 a.m. **Pennino.** Rail Commission meeting.

#### Friday, May 3, 2002

- 7:00 p.m. **Pennino.** Welcome event for the Good Samm's "Sammboree," Lodi Grape Festival fairgrounds. Mayor to welcome the group.

## COUNCIL COMMUNICATION

AGENDA TITLE: Kettleman Lane Widening Project, Lower Sacramento Road to Ham Lane, and Stockton Street to Cherokee Lane

MEETING DATE: April 30, 2002 (Shirtsleeve Session)

PREPARED BY: Public Works Director

The purpose of this session is to inform City Council about the status, scope, schedule, and funding of the City's Kettleman Lane Widening Project. This project will widen Kettleman Lane (State Route 12) to four lanes with a raised-curb, landscaped median from Tienda Drive to Ham Lane, and construct a raised-curb, landscaped median from Stockton Street to Cherokee Lane. The proposed project includes widening only on the north side of three segments (450 feet, 660 feet, and 1,350 feet lengths) between Tienda Drive and Ham Lane. The improvements will provide a continuous four-lane roadway, with raised median, from Lower Sacramento Road to Cherokee Lane (a separate project will construct a raised median from Hutchins Street to School Street). The project will improve safety, relieve traffic congestion, and provide improved operations on Kettleman Lane.

Information will be presented by Public Works Department staff and the consultant, Mark Thomas & Co.

  
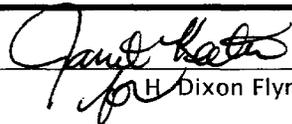

for Richard C. Prima, Jr.  
Public Works Director

Prepared by Paula J. Fernandez, Senior Traffic Engineer

RECEIVED

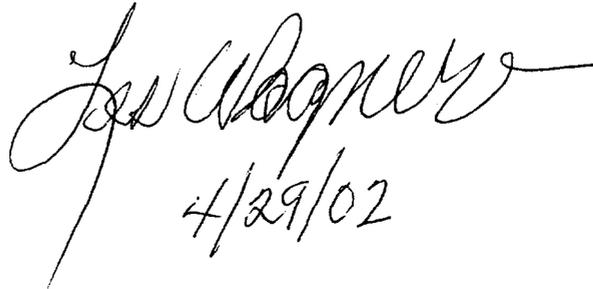

APR 29 2002

City Clerk  
City of Lodi

April 29, 2002

City Council Members:

According to your plan for adding a median from Stockton Street to Cherokee Lane, this would create a bad situation for us at Les' Appliance. We receive 4-5 times a week deliveries from trucks that are 45-53 feet long that must cross 4 lanes in order for them to back into our driveway. There is not enough room with only 2 lanes, in order to do this. Also, they cannot park on the street or this blocks both of our driveways. Traffic coming east also will have to make a U-turn in order to come into our store.

SUBJECT: Kettleman Lane Widening Project, Lower Sacramento Road to Ham Lane,  
and Stockton Street to Cherokee Lane

Enclosed is a copy of background information on an item on the City Council's informal Shirtsleeve Session agenda for Tuesday, April 30, 2002. The meeting will be held at 7 a.m. in the City Council Chamber, Carnegie Forum, 305 West Pine Street. This item is for Council's review and discussion only since no formal Council action can be taken at Shirtsleeve Sessions.

If you wish to write to the City Council, please address your letter to City Council, City of Lodi, P. O. Box 3006, Lodi, California, 95241-1910. Be sure to allow time for the mail. Or, you may hand-deliver the letter to City Hall, 221 West Pine Street.

If you wish to address the Council at the Shirtsleeve Session, be sure to fill out a speaker's card (available at the Carnegie Forum immediately prior to the start of the meeting) and give it to the City Clerk. If you have any questions about communicating with the Council, please contact Susan Blackston, City Clerk, at (209) 333-6702.

If you have any questions about the item itself, please call me at (209) 333-6800, ext. 2667.
