5.1. **Effective Date.** The effective date of this Agreement ("Effective Date") is _____, 2007, which is the effective date of City Ordinance No. _____ adopting this Agreement.

5.2. **Term.** Upon execution, the term of this Agreement shall commence on the Effective Date and extend for a period of fifteen (15) years, unless said term is terminated, modified or extended by circumstances set forth in this Agreement. Following the expiration of the term, this Agreement shall be deemed terminated and of no further force and effect. Said termination of the Agreement shall not affect any right or duty created by City approvals for the Property adopted prior to, concurrently with, or subsequent to the approval of this Agreement nor the obligations of Sections 20, 24 or 25 of this Agreement. In the event that litigation is filed by a third party (defined to exclude City and Landowners or any assignees of Landowner) which seeks to invalidate this Agreement or the Project Approvals, the expiration date of this Agreement shall be extended for a period equal to the length of time from the time the summons and complaint and/or petition are served on the defendant(s) until the judgment entered by the court is final and not subject to appeal; provided, however, that the total amount of time for which the expiration date shall be extended as a result of such litigation shall not exceed four years.

5.3. **Automatic Termination Upon Completion and Sale of Residential Lot.** This Agreement shall automatically be terminated, without any further action by either party or need to record any additional document, with respect to any single-family residential lot within a parcel designated by the Project Approvals for residential use, upon completion of construction and issuance by the City of a final occupancy permit for a dwelling unit upon such residential lot and conveyance of such improved residential lot by Landowner to a bona-fide good-faith purchaser thereof. In connection with its issuance of a final inspection for such improved lot, City shall confirm that all improvements, which are required to serve the lot, as determined by City, have been accepted by City. Termination of this Agreement for any such residential lot as provided for in this Section shall not in any way be construed to terminate or modify any assessment district or Mello-Roos Community Facilities District lien affecting such lot at the time of termination.

6. **Use of Property.**

6.1. **Vested Right to Develop.** Landowner shall have the vested right to develop the Project in accordance with the terms and conditions of this Agreement, the Project Approvals, the City's existing policies, standards and ordinances (except as expressly modified by this Section 6.1 and Section 8.3) and any amendments to any of them as shall, from time to time, be approved pursuant to this Agreement. Landowner's vested right to develop the Property shall be subject to subsequent approvals; provided however, except as provided in Section 6.3, that any conditions, terms, restrictions and requirements for such subsequent approvals shall not prevent development of the Property for the uses, or reduce the density and intensity of development, or limit the rate or timing of development set forth in this Agreement, so long as Landowner is not in default under this Agreement. Notwithstanding the vested rights

259464-6

Draft Version 4 3/9/2007

granted herein, Landowner agrees that the following obligations, which are presently being developed, shall apply to development of the Property:

- 6.1.1 Payment of a development fee for a proportionate share of the design and construction cost of the Highway 99 interchange project at Harney Lane.
- 6.1.2 Payment of Agricultural Land Mitigation fee, as identified in Mitigation Measure LU-2, pursuant to the ordinance and/or resolution to be adopted by the City of Lodi.
- 6.1.3 Payment of Electric Capital Improvement Mitigation fee (see Section 6.4.10) pursuant to the ordinance and/or resolution to be adopted by the City of Lodi.
- 6.1.4 Payment of development fee for proportionate share of the costs of designing and constructing a water treatment system and/or percolation system for treatment of water acquired from Woodbridge Irrigation District (see Section 6.4.7) pursuant to the ordinance and/or resolution to be adopted by the City of Lodi.

With regards to the fees identified in Sections 6.1.1, 6.1.2, 6.1.3, and 6.1.4 and these fees only, Landowner hereby consents to their imposition as conditions of approval on any discretionary or ministerial land use entitlement subsequently granted by the City including but not limited to issuance of building permits. City agrees that the fees payable by the Landowner pursuant to Sections 6.1.1, 6.1.2, 6.1.3 and 6.1.4 shall be adopted in conformance with applicable law, and shall apply uniformly to all new development on properties within the City that are zoned consistent with the Project Approvals, or apply uniformly to all new development on properties that are similarly situated, whether by geographic location or other distinguishing circumstances. Except for the fees identified in this Agreement including but not limited to the Project Approvals, Sections 6.1.1, 6.1.2, 6.1.3, 6.1.4 and 8.3, no other subsequently enacted development or capital fee shall be imposed as a condition of approval on any discretionary or ministerial decision. The Parties acknowledge and agree that the fees applicable to the development pursuant to the Project Approvals and this Agreement may be increased during the term of this Agreement provided that (1) such increases are limited to annual indexing (i.e. per the Engineering News Record index, or the CPI, or other index utilized by the City) and as provided in current fee ordinances and (2) the increased fees are adopted in conformance with applicable law, apply uniformly to all new development on properties within the City that are zoned consistent with the Project Approvals, or apply uniformly to all new development on properties that are similarly situated, whether by geographic location or other distinguishing circumstances. The initial adjustment shall be effective as of four years after the Effective Date of the Agreement and shall be calculated based on the difference in the applicable index from the numerical rate at the end of the month following the third year after the Effective Date and the numerical rate at the end of the month following the fourth year after the Effective Date. All subsequent increases shall be based on the annual change in the applicable index. Notwithstanding the preceding sentence, index adjustments to the fees set forth in Section 8.2.

859464-6

Draft Version 4 3/9/2007

subsections 2, 3 and 4 shall be effective annually as set forth in the relevant ordinances and resolutions. Moreover, Landowner will be subject to the indexing called for above even if Landowner has filed a complete application for a Vesting Tentative Map and will not vest against such indexing until payment of the fees as called for in this Agreement.

6.2. **Permitted Uses**. The permitted uses of the Property, the density and intensity of use, the maximum height and size of proposed buildings, provisions for reservation or dedication of land for public purposes, location and maintenance of on-site and off-site improvements, location of public utilities and other terms and conditions of development applicable to the Property, shall be those set forth in this Agreement, the Project Approvals and any amendments to this Agreement or the Project Approvals. City acknowledges that the Project Approvals provide for the land uses and approximate acreages for the Property as set forth in Exhibit B-1 and Exhibit B-2.

6.3. **Moratorium, Quotas, Restrictions or Other Growth Limitations**.

Landowner and City intend that, except as otherwise expressly provided in this Agreement, this Agreement shall vest the Project Approvals against subsequent City resolutions, ordinances and initiatives approved by the City Council or the electorate that directly or indirectly limit the rate, timing, or sequencing of development, or prevent or conflict with the permitted uses, density and intensity of uses or the right to receive public services as set forth in the Project Approvals; provided however Landowner shall be subject to rules, regulations or policies adopted as a result of changes in federal or state law (as provided in Section 7.3) which are or have been adopted on a uniformly applied, City-wide or area-wide basis, in which case City shall treat Landowner in a uniform, equitable and proportionate manner with all properties, public and private, which are impacted by the changes in federal or state law.

6.3.1 Allocations Under City Growth Management Program

a. **Allocations Required Prior to Map Approval**

Consistent with the City's Growth Management Program, which shall apply to the Project, except as otherwise provided herein, no tentative map for any portion of the Property shall be issued until such time as Landowner has obtained allocations for each residential unit within the area covered by such map, consistent with the Growth Management Ordinance (Ordinance 1521), codified as Section 15.34 of the City of Lodi Municipal Code.

b. **Schedule of Allocation of Residential Units**

The following schedule of residential unit allocations shall apply to the Project.

(i) **Initial Allocation:**

As of the Effective Date of this Agreement, the following number of residential units shall be initially allocated to the Project from the City's reserve of unused allocations ("Initial Allocation"):

215 Low Density Units

Except for the requirement set forth in Section 6.3.1(a) above the Initial Allocation has been determined to be exempt from and in compliance with the provisions of the Growth Management Ordinance and Resolutions 91-170 and 91-171 (timing and point system requirements).

(ii) Subsequent Annual Allocations:

As of the Effective Date of this Agreement, Landowner shall be entitled to apply for future annual allocations in three-year increments, and on a rolling basis. Provided that Landowner otherwise complies with the City's Growth Management Program, Landowner shall be entitled to annual allocations set forth in Exhibit E ("Annual Allocations"). If Landowner elects in any year to request fewer allocations than provided for in Exhibit E or if the term of any allocation granted expires before it is used as part of obtaining a subdivision map, Landowner shall be entitled to receive, upon submission of a complete growth management allocation application, additional allocations after the eighth year of this Agreement and through the term of this Agreement including any extension thereto granted pursuant to Section 5.2. The total number of growth management allocations granted hereunder shall be limited to the number of residential units approved as part of the Project Approvals excluding any senior housing residential units. The use of such allocations shall be restricted to the year for which such allocations were made, consistent with the Growth Management Ordinance. Notwithstanding the foregoing, Landowner may request additional allocations, over and above those set forth in Exhibit "E", and City may grant such allocations in its discretion, provided such additional allocations are consistent with the City's Growth Management Allocation Program, Resolutions 91-170 and 91-171, subject to such additional community benefits and/or exactions negotiated upon such a request.

Landowner is not required to apply for such allocations on an annual basis. Landowner may instead comply with all development plan and related requirements under the Growth Management Ordinance and Resolutions 91-170 and 91-171 every third year, at which time Landowner may apply for allocations for the next three-year period. After the expiration of the year for which an Annual Allocation was issued to Landowner, Landowner may submit a request and be issued by the City another Annual Allocation, such that Landowner may maintain, on a rolling basis, a number of allocations equal to three Annual Allocations. Except for allowing the Landowner this flexibility in terms of the number of years for which Landowner may apply, all requests for Annual Allocations must otherwise comply with the Growth Management Ordinance and Resolutions 91-170 and 91-171.

The requirement that Landowner apply for Annual Allocations does not alter the vested rights of the Project, specifically as to the General Plan and zoning designation of the Project.

859464-6

Draft Version 4 3/9/2007

(c) Growth Management Ordinance in full force and effect:

Except where otherwise specifically stated herein, nothing in this section 6.3.1 is intended to modify in any way the City's Growth Management Program, including its exemptions under Section 15.34.040 (e.g. for senior citizen housing).

Section 6.3.2 Future Growth Control Ordinances/Policies, Etc.

(a) One of the specific purposes of this Agreement is to assure Developer that, during the term of this Agreement no growth-management ordinance, measure, policy, regulation or development moratorium of City adopted by the City Council or by vote of the electorate after the Effective Date of this Agreement will apply to the Property in such a manner so as to reduce the density of development, modify the permissible uses, or modify the phasing of the development as set forth in the Project Approvals.

(b) Therefore, the parties hereto agree that, except as otherwise expressly provided in the Project Approvals, Sections 6.1, 6.3.1 or 6.4 or other provision of this Agreement which expressly authorize City to make such pertinent changes, no ordinance, policy, rule, regulation, decision or any other City action, or any initiative or referendum voted on by the public, which would be applicable to the Project and which would affect in any way the rate of development, construction and build out of the Project, or limit the Project's ability to receive any other City service shall be applicable to any portion of the Project during the term of this Agreement, whether such action is by ordinance, enactment, resolution, approval, policy, rule, regulation, decision or other action of City or by public initiative or referendum.

(c) City, through the exercise of either its police power or its taxing power, whether by direct City action or initiative or referendum, shall not establish, enact or impose any additional conditions, dedications, fees or other exactions, policies, standards, laws or regulations, which directly relate to the development of the Project except as provided in Sections 6.1, 6.3.1, or 6.4 herein or other provision of this Agreement which expressly allows City to make such changes. Nothing herein prohibits the Project from being subject to a (i) City-wide bond issue, (ii) City-Wide special or general tax, or (iii) special assessment for the construction or maintenance of a City-wide facility as may be voted on by the electorate or otherwise enacted; provided that such tax, assessment or measure is City-wide in nature, does not discriminate against the land within the Project and does not distinguish between developed and undeveloped parcels.

(d) This Agreement shall not be construed to limit the authority of City to charge processing fees for land use approvals, public facilities fees and building permits as they relate to plumbing, mechanical, electric or fire code permits, or other similar permits and entitlements which are in force and effect on a city-wide basis at the time those permits are applied for, except to the extent any such processing regulations would be inconsistent with this Agreement.

(e) Notwithstanding subdivision (b), the City may condition or deny a permit, approval, extension, or entitlement if it determines any of the following:

(1) A failure to do so would place the residents of the Project or the immediate community, or both, in a condition dangerous to their health or safety, or both.

(2) The condition or denial is required in order to comply with state or federal law (see Section 7.3).

6.4. Additional Conditions.

6.4.1. Timing of Dedications and Improvements of Parks

Landowner agrees to dedicate park land and complete construction of all the park improvements as described and set forth in the Project Approvals at its sole cost and expense. The lists of the parks and park improvements contemplated herein is set forth in Exhibit "I" and Exhibit "J". Landowner and City agree that the provision of land and the construction of all park facilities and installation of equipment within the Project boundaries will satisfy Landowner's Quimby Act obligations as set forth in Lodi Municipal Code Chapter. Therefore, Landowner shall not be obligated to pay any additional park fees and Landowner shall not be entitled to any credit for the value of the improvements constructed or equipment installed except as provided hereinbelow. The phasing of such improvements shall be in compliance with the Phasing Schedule included in Exhibit I.

With regards to the park improvements listed in Exhibit J, prior to approval by the City of the first tentative subdivision map, Landowner shall prepare plans and specifications for all park improvements included in the Project Approvals and submit those plans and specifications to the City for review and approval which approval will not be unreasonably withheld provided that the plans and specifications contain all park improvements listed in Exhibit J and satisfy all applicable conditions of approval included in the Project Approvals. The Landowner shall construct the parks in compliance with the approved plans and specifications. The City will inspect improvements during construction. If improvements are of poor quality and/or do not meet the requirements of approved plans and specifications, the City will notify the Landowner in writing and the Landowner, at its sole cost, shall correct any errors or deficiencies. The Landowner shall construct the parks to the satisfaction of the City, which shall be defined as compliance with the approved plans and specifications.

As part of the park improvements identified herein, Landowner is obligated to offer for dedication to the City for a period of six years, five acres of land located at West of Lower Sacramento Road, North of Vine Street and as depicted in the Westside Facilities Master Plan for park uses including a possible aquatic center. Upon acceptance of the dedication by the City which must occur within six years after the offer of dedication is made, the City shall, for the remaining term of this Agreement and at the time of City approval of any development

project located in the area south of West Vine Street, north of Highway 12, and west of North Lower Saramento Road ("Adjacent Property"), impose a requirement that the developer of the Adjacent Parcel pay the the City an amount equal to the reasonable actual costs incurred for park land and related construction costs by Landowner for parks developed within the Project in excess of the minimum amount of park dedication required by the Lodi Muncipal Code and which the developer of the "Adjacent Parcel" uses to satisfy its park dedication requirements. The parties agree that they shall calculate the any potential credit payable by the developer of the Adjacent Property pursuant to this paragraph prior to approval fo the first tentative subdivision map for the Property. Upon receipt of the that payment, City shall either pay that amount to Landowner or credit that amount against any outstanding fee payable by Landowner.

The initial adjustment shall be effective as of four years after the Effective Date of the Agreement and shall be calculated based on the difference in the applicable index from the numerical rate at the end of the month following the third year after the Effective Date and the numerical rate at the end of the month following the fourth year after the Effective Date. All subsequent increases shall be based on the annual change in the applicable index. Notwithstanding the preceding sentence, index adjustments to the fees set forth in subsections 2, 3 and 4 of this section shall be effective annually as set forth in the relevant ordinances and resolutions. Moreover, Landowner will be subject to the indexing called for above even if Landowner has filed a complete application for a Vesting Tentative Map and will not vest against such indexing until payment of the fees as called for in this Agreement.

In addition to the funding provided as part of the Community Facilities District identified in Section 9.1, City acknowledges that Landowner may desire to finance the acquisition or construction of a portion of the improvements described in Section 8.2 through the Community Facilities District. The costs associated with the items identified in Section 8.2 shall be in addition to the annual cost imposed to comply with Section 9.1. In addition, City agrees that upon payment of any required City fees or costs, City will designate or retain, as necessary, appropriate personnel and consultants to process Landowner's development applications and building permit requests City approvals in an expeditious manner.

11. **Reserved**

11. **Amendment or Cancellation**

11.1. **Modification Because of Conflict with State or Federal Laws**. In the event that State or Federal laws or regulations enacted after the Effective Date of this Agreement prevent or preclude compliance with one or more provisions of this Agreement or require changes in plans, maps or permits approved by the City, the parties shall meet and confer in good faith in a reasonable attempt to modify this Agreement to comply with such federal or State law or regulation. Any such amendment or suspension of the Agreement shall be approved by the City Council in accordance with the Municipal Code and this Agreement.

11.2. **Amendment by Mutual Consent**. This Agreement may be amended in writing from time to time by mutual consent of the parties hereto and in accordance with the procedures of State law and the Municipal Code.

11.3. **Insubstantial Amendments**. Notwithstanding the provisions of the preceding Section 11.2, any amendments to this Agreement which do not relate to (a) the term of the Agreement as provided in Section 5.2; (b) the permitted uses of the Property as provided in Sections 6.2 and 7.1; (c) provisions for reservation or dedication of land; (d) the location and maintenance of on-site and off-site improvements; (e) the density or intensity of use of the Project; (f) the maximum height or size of proposed buildings or (g) monetary contributions by Landowner as provided in this Agreement shall not, except to the extent otherwise required by law, require notice or public hearing before either the Planning Commission or the City Council before the parties may execute an amendment hereto.

11.4. **Amendment of Project Approvals**. Any amendment of Project Approvals relating to: (a) the permitted use of the Property; (b) provision for reservation or dedication of land; (c) the density or intensity of use of the Project; (d) the maximum height or size of proposed buildings; (e) monetary contributions by the Landowner; (f) the location and maintenance of on-site and off-site improvements; or (g) any other issue or subject not identified as an "insubstantial amendment" in Section 11.3 of this Agreement, shall require an amendment of this Agreement. Such amendment shall be limited to those provisions of this Agreement,

which are implicated by the amendment of the Project Approval. Any other amendment of the Project Approval(s) shall not require amendment of this Agreement unless the amendment of the Project Approval(s) relates specifically to some provision of this Agreement.

11.5. Cancellation by Mutual Consent. Except as otherwise permitted herein, this Agreement may be canceled in whole or in part only by the mutual consent of the parties or their successors in interest, in accordance with the provisions of the Municipal Code. Any fees paid pursuant to this Agreement prior to the date of cancellation shall be retained by City.

12. Term of Project Approvals. Pursuant to California Government Code Section 66452.6(a), the term of any parcel map or tentative subdivision map shall automatically be extended for the term of this Agreement.

13. Annual Review.

13.1. Review Date. The annual review date for this Agreement shall occur either within the same month each year as the month in which the Agreement is executed or the month immediately thereafter.

Within thirty (30) days of City's notice, Landowner shall provide evidence to the Planning Director to demonstrate good faith compliance with the Development Agreement. The burden of proof, by substantial evidence of compliance, is upon the Landowner. The City's failure to timely initiate the annual review is not deemed to be a waiver of the right to do so at a later date; accordingly, Landowner is not deemed to be in compliance with the Agreement by virtue of such failure to timely initiate review.

13.3. Staff Reports. City shall deposit in the mail to Landowner a copy of all staff reports, and related Exhibits, concerning contract performance at least three (3) days prior to any annual review.

13.4. Costs. Costs reasonably incurred by the City in connection with the annual review shall be paid by Landowner in accordance with the City's schedule of fees and billing rates in effect at the time of review.

13.5. Non-compliance with Agreement; Hearing. If the Planning Director determines, on the basis of substantial evidence, that Landowner has not complied in good faith with the terms and conditions of the Agreement during the period under review, the City Council, upon receipt of any report or recommendation from the Planning Commission, may initiate proceedings to modify or terminate the Agreement, at which time an administrative hearing shall be conducted, in accordance with the procedures of State law. As part of that final

determination, the City Council may impose conditions that it considers necessary and appropriate to protect the interest of the City.

13.6. Appeal of Determination. The decision of the City Council as to Landowner's compliance shall be final, and any Court action or proceeding to attack, review, set aside, void or annul any decision of the determination by the Council shall be commenced within thirty (30) days of the final decision by the City Council.

14. Default. Subject to any applicable extension of time, failure by any party to substantially perform any term or provision of this Agreement required to be performed by such party shall constitute a material event of default ("Event of Default"). For purposes of this Agreement, a party claiming another party is in default shall be referred to as the "Complaining Party" and the party alleged to be in default shall be referred to as the "Party in Default." A Complaining Party shall not exercise any of its remedies as the result of such Event of Default unless such Complaining Party first gives notice to the Party in Default as provided in Section 15.1.1, and the Party in Default fails to cure such Event of Default within the applicable cure period.

14.1. Procedure Regarding Defaults.

14.1.1. Notice. The Complaining Party shall give written notice of default to the Party in Default, specifying the default complained of by the Complaining Party. Delay in giving such notice shall not constitute a waiver of any default nor shall it change the time of default.

14.1.2. Cure. The Party in Default shall diligently endeavor to cure, correct or remedy the matter complained of, provided such cure, correction or remedy shall be completed within the applicable time period set forth herein after receipt of written notice (or such additional time as may be deemed by the Complaining Party to be reasonably necessary to correct the matter).

14.1.3. Failure to Assert. Any failures or delays by a Complaining Party in asserting any of its rights and remedies as to any default shall not operate as a waiver of any default or of any such rights or remedies. Delays by a Complaining Party in asserting any of its rights and remedies shall not deprive the Complaining Party of its right to institute and maintain any actions or proceedings, which it may deem necessary to protect, assert, or enforce any such rights or remedies.

14.1.4. Notice of Default. If an Event of Default occurs prior to exercising any remedies, the Complaining Party shall give the Party in Default written notice of such default. If the default is reasonably capable of being cured within thirty (30) days, the Party in Default shall have such period to effect a cure prior to exercise of remedies by the Complaining Party. If the nature of the alleged default is such that it cannot, practicably be cured within such thirty (30) day period, the cure shall be deemed to have occurred within such

thirty (30) day period if: (a) the cure shall be commenced at the earliest practicable date following receipt of the notice; (b) the cure is diligently prosecuted to completion at all times thereafter; (c) at the earliest practicable date (in no event later than thirty (30) days after the curing party's receipt of the notice), the curing party provides written notice to the other party that the cure cannot practicably be completed within such thirty (30) day period; and (d) the cure is completed at the earliest practicable date. In no event shall Complaining Party be precluded from exercising remedies if a default is not cured within ninety (90) days after the first notice of default is given.

14.1.5. Legal Proceedings. Subject to the foregoing, if the Party in Default fails to cure a default in accordance with the foregoing, the Complaining Party, at its option, may institute legal proceedings pursuant to this Agreement or, in the event of a material default, terminate this Agreement. Upon the occurrence of an Event of Default, the parties may pursue all other remedies at law or in equity, which are not otherwise provided for or prohibited by this Agreement, or in the City's regulations if any governing development agreements, expressly including the remedy of specific performance of this Agreement.

14.1.6. Effect of Termination. If this Agreement is terminated following any Event of Default of Landowner or for any other reason, such termination shall not affect the validity of any building or improvement within the Property which is completed as of the date of termination, provided that such building or improvement has been constructed pursuant to a building permit issued by the City. Furthermore, no termination of this Agreement shall prevent Landowner from completing and occupying any building or other improvement authorized pursuant to a valid building permit previously issued by the City that is under construction at the time of termination, provided that any such building or improvement is completed in accordance with said building permit in effect at the time of such termination.

15. Estoppel Certificate. Either Party may, at any time, and from time to time, request written notice from the other Party requesting such Party to certify in writing that, (a) this Agreement is in full force and effect and a binding obligation of the Parties; (b) this Agreement has not been amended or modified either orally or in writing, or if so amended, identifying the amendments; and (c) to the knowledge of the certifying Party the requesting Party is not in default in the performance of its obligations under this Agreement, or if in default, to describe therein the nature and amount of any such defaults. A Party receiving a request hereunder shall execute and return such certificate within thirty (30) days following the receipt thereof, or such longer period as may reasonably be agreed to by the Parties. City Manager of City shall be authorized to execute any certificate requested by Landowner. Should the party receiving the request not execute and return such certificate within the applicable period, this shall not be deemed to be a default.

16. Mortgagee Protection; Certain Rights of Cure.

16.1. Mortgagee Protection. This Agreement shall be superior and senior to any lien placed upon the Property, or any portion thereof after the date of recording this

Agreement, including the lien for any deed of trust or mortgage ("Mortgage"). Notwithstanding the foregoing, no breach hereof shall defeat, render invalid, diminish or impair the lien of any Mortgage made in good faith and for value, but all the terms and conditions contained in this Agreement shall be binding upon and effective against any person or entity, including any deed of trust beneficiary or mortgagee ("Mortgagee") who acquires title to the Property, or any portion thereof, by foreclosure, trustee's sale, deed in lieu of foreclosure, or otherwise.

16.2. Mortgagee Not Obligated. Notwithstanding the provisions of Section 17.1 above, no Mortgagee shall have any obligation or duty under this Agreement, before or after foreclosure or a deed in lieu of foreclosure, to construct or complete the construction of improvements, or to guarantee such construction of improvements, or to guarantee such construction or completion, or to pay, perform or provide any fee, dedication, improvements or other exaction or imposition; provided, however, that a Mortgagee shall not be entitled to devote the Property to any uses or to construct any improvements thereon, authorized by the Project Approvals or by this Agreement, unless Mortgagee agrees to and does construct or complete the construction of improvements, or guarantees such construction of improvements, or pays, performs or provides any fee, dedication, improvements or other exaction or imposition as required by the Project Approvals.

16.3. Notice of Default to Mortgagee and Extension of Right to Cure. If City receives notice from a Mortgagee requesting a copy of any notice of default given Landowner hereunder and specifying the address for service thereof, then City shall deliver to such Mortgagee, concurrently with service thereon to Landowner, any notice given to Landowner with respect to any claim by City that Landowner has committed an Event of Default. Each Mortgagee shall have the right during the same period available to Landowner to cure or remedy, or to commence to cure or remedy, the Event of Default claimed set forth in the City's notice. City, through its City Manager, may extend the cure period provided in Section 15.1.2 for not more than an additional sixty (60) days upon request of Landowner or a Mortgagee.

17. Severability. Except as set forth herein, if any term, covenant or condition of this Agreement or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term, covenant or condition to persons, entities or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term, covenant or condition of this Agreement shall be valid and be enforced to the fullest extent permitted by law; provided, however, if any provision of this Agreement is determined to be invalid or unenforceable and the effect thereof is to deprive a Party hereto of an essential benefit of its bargain hereunder, then such Party so deprived shall have the option to terminate this entire Agreement from and after such determination.

18. Applicable Law. This Agreement shall be construed and enforced in accordance with the laws of the State of California.

19. Attorneys' Fees and Costs in Legal Actions By Parties to the Agreement.

Should any legal action be brought by either party for breach of this Agreement or to enforce any provisions herein, the prevailing party to such action shall be entitled to reasonable attorneys' fees, court costs, and such other costs as may be fixed by the Court.

20. Attorneys' Fees and Costs in Legal Actions By Third Parties to the Agreement and Continued Permit Processing.

If any person or entity not a party to this Agreement initiates an action at law or in equity to challenge the validity of any provision of this Agreement or the Project Approvals, the parties shall cooperate and appear in defending such action. Landowner shall bear its own costs of defense as a real party in interest in any such action. Landowner shall reimburse City on an equal basis for all reasonable court costs and attorneys' fees expended by City in defense of any such action or other proceeding and shall pay any attorneys fees and costs that may be awarded to the third party or parties. The City agrees that in the event an action at law or in equity to challenge the validity of the Project Approvals is filed by a third party other than by a state or federal agency, the City will continue to process and approve permit applications that are consistent with and comply with the Project Approvals unless a court enjoins further processing of permit applications and issuance of permits.

21. Transfers and Assignments. From and after recordation of this Agreement against the Property, Landowner shall have the full right to assign this Agreement as to the Property, or any portion thereof, in connection with any sale, transfer or conveyance thereof, and upon the express written assignment by Landowner and assumption by the assignee of such assignment in the form attached hereto as Exhibit G, and the conveyance of Landowner's interest in the Property related thereto, Landowner shall be released from any further liability or obligation hereunder related to the portion of the Property so conveyed and the assignee shall be deemed to be the "Landowner," with all rights and obligations related thereto, with respect to such conveyed property. Prior to recordation of this Agreement, any proposed assignment of this Agreement by Landowner shall be subject to the prior written consent of the City Manager or behalf of the City and the form of such assignment shall be subject to the approval of the City Attorney, neither of which shall be unreasonably withheld.

22. Agreement Runs with the Land. Except as otherwise provided for in Section 16 of this Agreement, all of the provisions, rights, terms, covenants, and obligations contained in this Agreement shall be binding upon the parties and their respective heirs, successors and assignees, representatives, lessees, and all other persons acquiring the Property, or any portion thereof, or any interest therein, whether by operation of law or in any manner whatsoever. All of the provisions of this Agreement shall be enforceable as equitable servitude and shall constitute covenants running with the land pursuant to applicable laws, including, but not limited to, Section 1468 of the Civil Code of the State of California. Each covenant to do, or refrain from doing, some act on the Property hereunder, or with respect to any owned property; (a) is for the benefit of such properties and is a burden upon such properties; (b) runs with such properties; and (c) is binding upon each party and each successive owner during its ownership of such

properties or any portion thereof, and shall be a benefit to and a burden upon each party and its property hereunder and each other person succeeding to an interest in such properties.

23. **Bankruptcy**. The obligations of this Agreement shall not be dischargeable in bankruptcy.

24. **Indemnification**. Landowner agrees to indemnify, defend and hold harmless City, and its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives from any and all claims, costs (including legal fees and costs) and liability for (1) any personal injury or property damage which may arise directly or indirectly as a result of any actions or inactions by the Landowner, or any actions or inactions of Landowner's contractors, subcontractors, agents, or employees in connection with the construction, improvement, operation, or maintenance of the Property and the Project, provided that Landowner shall have no indemnification obligation with respect to the gross negligence or willful misconduct of City, its contractors, subcontractors, agents or employees or with respect to the maintenance, use or condition of any improvement after the time it has been dedicated to and accepted by the City or another public entity (except as provided in an improvement agreement or maintenance bond) and (2) any additional mitigation required, including but not limited to payment of any mitigation fees that may be imposed, as a result of a lawsuit filed by a third party challenging or seeking to invalidate the Project Approvals.

25. **Insurance**.

25.1. **Public Liability and Property Damage Insurance**. At all times that Landowner is constructing any improvements that will become public improvements, Landowner shall maintain in effect a policy of comprehensive general liability insurance with a per-occurrence combined single limit of not less than two million (\$2,000,000) dollars and a deductible of not more than fifty thousand (\$50,000) dollars per claim. The policy so maintained by Landowner shall name the City as an additional insured and shall include either a severability of interest clause or cross-liability endorsement.

25.2. **Workers' Compensation Insurance**. At all times that Landowner is constructing any improvements that will become public improvements, Landowner shall maintain Workers' Compensation insurance for all persons employed by Landowner for work at the Project site. Landowner shall require each contractor and subcontractor similarly to provide Workers' Compensation insurance for its respective employees. Landowner agrees to indemnify the City for any damage resulting from Landowner's failure to maintain any such insurance.

25.3. **Evidence of Insurance**. Prior to commencement of construction of any improvements which will become public improvements, Landowner shall furnish City satisfactory evidence of the insurance required in Sections 26.1 and 26.2 and evidence that the carrier is required to give the City at least fifteen (15) days prior written notice of the cancellation or reduction in coverage of a policy. The insurance shall extend to the City, its elective and

appointive boards, commissions, officers, agents, employees and representatives and to Landowner performing work on the Project.

26. **Excuse for Nonperformance.** Landowner and City shall be excused from performing any obligation or undertaking provided in this Agreement, except any obligation to pay any sum of money under the applicable provisions hereof, in the event and so long as the performance of any such obligation is prevented or delayed, retarded or hindered by act of God, fire, earthquake, flood, explosion, action of the elements, war, invasion, insurrection, riot, mob violence, sabotage, inability to procure or general shortage of labor, equipment, facilities, materials or supplies in the open market, failure of transportation, strikes, lockouts, condemnation, requisition, laws, orders of governmental, civil, military or naval authority, or any other cause, whether similar or dissimilar to the foregoing, not within the control of the Party claiming the extension of time to perform. The Party claiming such extension shall send written notice of the claimed extension to the other Party within thirty (30) days from the commencement of the cause entitling the Party to the extension.

27. **Third Party Beneficiaries.** This Agreement is made and entered into for the sole protection and benefit of the Landowner and, the City and their successors and assigns. No other person shall have any right of action based upon any provision in this Agreement.

28. **Notices.** All notices required by this Agreement, the enabling legislation, or the procedure adopted pursuant to Government Code Section 65865, shall be in writing and delivered in person or sent by certified mail, postage prepaid.

Notice required to be given to the City shall be addressed as follows:

859464-6

Draft Version 4 3/9/2007

Section 5.3 (Automatic Termination Upon Completion and Sale of Residential Lot), the City shall cause this Agreement, any amendment hereto and any other termination of any parts or provisions hereof, to be recorded, at Landowner's expense, with the county Recorder within ten (10) days of the effective date thereof. Any amendment or termination of this Agreement to be recorded that affects less than all of the Property shall describe the portion thereof that is the subject of such amendment or termination. This Agreement is executed in three duplicate originals, each of which is deemed to be an original. This Agreement consists of ___ pages and ___ Exhibits, which constitute the entire understanding and agreement of the parties.

30. **Further Assurances.** The Parties agree to execute such additional instruments and to undertake such actions as may be necessary to effectuate the intent of this Agreement.

31. **City Cooperation.** The City agrees to cooperate with Landowner in securing all permits which may be required by City. In the event State or Federal laws or regulations enacted after the Effective Date, or action of any governmental jurisdiction, prevent delay or preclude compliance with one or more provisions of this Agreement, or require changes in plans, maps or permits approved by City, the parties agree that the provisions of this Agreement shall be modified, extended, or suspended as may be necessary to comply with such State and Federal laws or regulations or the regulations of other governmental jurisdictions. Each party agrees to extend to the other its prompt and reasonable cooperation in so modifying this Agreement or approved plans.

AGREEMENT TO AMEND WESTSIDE DEVELOPMENT AGREEMENT

AGREEMENT TO AMEND
WESTSIDE
DEVELOPMENT AGREEMENT
AND REFRAIN FROM CHALLENGING LAND USE PROJECT

THIS AGREEMENT is made this 4th day of December, 2007 by and between the City of Lodi (City), a California General Law city, represented by the City Manager and City Attorney with the limited authority as described in Section 1.A; Citizens for Open Government, an unincorporated association (Citizens); and Frontiers Community Builders (Developer) a dba of Frontier Land Companies, a California Corporation. The Parties agree as follows:

2. Recitals.

A. The Parties to the Agreement.

The City of Lodi ("City") is a General Law city governed by a five-member city council. For all purposes herein and during all times during the negotiation of this Agreement the City Manager and City Attorney have represented the City. However in this Agreement and at all times during the negotiation of the Agreement the City Manager and/or City Attorney have lacked the capacity or legal authority to bind the City of Lodi and/or the City Council. The parties understand that throughout the negotiation and in executing this Agreement the City Manager and City Attorney can only recommend to the City Council that it take certain actions. All authority and discretion remains with the City Council over whether the City Council will approve or disapprove of this Agreement. The City Council is scheduled to hear the Project at a duly noticed public hearing scheduled after February 1, 2007.

Citizens is an unincorporated association that has commented on the development proposed by Developer. The "Project" referred to herein is as defined in the Development Agreement for the "FCB Westside Project" with all Project Approvals described therein. Citizens desire to have certain mitigation measures and clarifications added to the Development Agreement negotiated between City and Developer that in the opinion of Citizens will further the interest of the City and the interest of the public. If these amendments are added to the draft Development Agreement in the form of this Agreement, which shall be an exhibit to the Development Agreements, then Citizens will support the Project, will not make negative comments about the Project's EIR or the Project at any City Council or other public hearings, and will not subsequently challenge the certification of the EIR or the Project Approvals, directly or indirectly. Ann Cerney shall be the sole spokesperson for Citizens and make these statements at the City Council hearing.

Developer, a private entity, is the applicant for the Development Agreements and Project Approvals described therein. The term "Developer" includes all related entities of Developer and their successors in interest.

B. The parties agree that the Development Agreements contain commitments for major infrastructure and amenities that will result in public benefits for the City.

C. Although Citizens are not fully satisfied with all aspects of the Project and EIR, it has balanced the benefits of the Project, including the changes to the draft Development Agreements as set forth in this Agreement, against the adverse effects of the Projects and has concluded that the Projects, separately or combined, are substantially more beneficial to the City than detrimental.

2. Modification of Development Agreement

The parties agree that the draft Development Agreement for the Project, scheduled to be considered by the City Council at the public hearing after January 1, 2007, is to be hereby amended by and through this Agreement, which shall be attached to the Development Agreement as Exhibit "_____".

A. Mitigation For Agricultural Conversion Impacts of Project

(1) Developer shall obtain permanent easements to be held by the City or other qualified entity (e.g., Central Valley Farmland Trust) limiting the use of San Joaquin County real property to agricultural uses and related activities as are permitted from time to time under the agricultural zoning laws of the County ("Agricultural Conservation Easements"). In providing mitigation for impacts to agricultural land, Developer shall adhere to the terms of the final adopted San Joaquin County Agricultural Mitigation Ordinance, now under consideration by the San Joaquin County Board of Supervisors. (See November 14, 2006 draft Ordinance.)

(2) At a minimum, and notwithstanding the terms of the final, adopted County Ordinance, the Agricultural Conservation Easements shall be recorded on a 1:1 acre (conserved:developed) ratio against an aggregate total of up to 152 acres, more or less, contained within FCB Westside Project involving one or more parcels of land - though not necessarily contiguous - with each mitigation acre located within San Joaquin County and zoned for agricultural uses ("Protected Properties"). If mitigation lands are located in the Primary Zone of the San Joaquin Delta that lies within the County, the mitigation ratio shall be on a 2:1 acre (conserved:developed) basis. However, if prior to the Developer's compliance with this agricultural mitigation requirement, the San Joaquin Board of Supervisors excludes land within certain areas of the County (e.g., the Primary Zone of the Delta) from being used for agricultural mitigation purposes, the parties agree that those lands would be excluded from being used for mitigation purposes under this Agreement.

(3) At a minimum, and notwithstanding the terms of the final, adopted County Ordinance, the Agricultural Conservation Easements may only apply to Protected Properties that are not encumbered by (a) any other perpetual open space conservation easement or

3) Developer shall make available solar power features and electrical car charging stations or outlets that homeowners within the Projects may elect to purchase as part of that homeowner's option package.

4) Developer agrees that at least 50% of the construction site waste shall be recycled or otherwise diverted from landfill disposal.

5) Developer shall use only EPA approved natural gas fireplaces, fireplace inserts, woodstoves or pellet stoves when such fireplaces are installed. Developer will comply with all federal, state and local laws and regulations pertaining to the installation of wood burning fireplaces.

6) Developer will encourage landscape maintenance companies to use electric-powered equipment.

7) Shade trees will be planted where appropriate throughout the Project and located to shade paved areas and to protect dwellings from energy consuming environmental conditions.

8) Developer agrees to comply with the California Green Builder program that applies to high density residential units. Currently a pilot program exists that is substantially similar to the low density program, with the exception of the 20,000 gallon per home per year in water conservation.

C. New Urbanism neighborhood design.

Developer believes that the Project's current land use plans promote the principles of New Urbanism that include neighborhoods that are walk-able, interconnected, that include pedestrian friendly streetscapes; bicycle friendly design elements; well integrated, highly visible, and publicly accessible open spaces. Developer is also committed to designing the specific components of the Projects to include housing and structural forms that are visually interesting, well modulated, constructed of high quality materials, proportionate to their surroundings, and a range of housing types, sizes and affordability.

D. Pedestrian Transit and Bicycle Infrastructure: Developer agrees to implement the following measures:

1) Provide pedestrian enhancing infrastructure that includes: sidewalks and pedestrian paths, direct pedestrian connections, street trees to shade sidewalks, pedestrian safety designs/infrastructure, street lighting and/or pedestrian signalization and signage, and

2) Provide bicycle-enhancing infrastructure that includes: bikeways/paths connecting to a bikeway system as well as secure bike parking.

E. Lodi Eastside: The Project's requirement for investment in Lodi's eastside community as set forth in the FCB Westside Development Agreement is hereby amended to require that any units which are selected by the Developer to be rehabilitated or replaced and which are currently at affordable rents for persons or families of low income shall remain affordable for persons of low income.

F. Water Supply: Additional entitlements for urban development within the Project area (i.e., subdivision maps, parcel maps, building permits, etc.) shall not be granted for any dwellings within the Project area after total water use exceeds the projected safe groundwater yield of the Project area until additional water sources (e.g., W.I.D. groundwater recharge or water treatment or otherwise) are available. According to the Westside-Southwest Gateway Project Water Supply Assessment (July 2006) ("WSA"), a total of approximately 257 acre feet per year will be available for the Westside Project upon its annexation while the total projected water demand will likely be in excess of that amount before full build-out occurs. The purpose of this provision, then, is to ensure that water use by the Project does not exceed the projected increase in safe groundwater yield attributable to annexation of the Project area into the City until additional water sources (e.g., W.I.D. groundwater recharge or water treatment or otherwise) are available. (See WSA, Figure 5-4.)

G. Agricultural Conflicts: Developer shall strive to phase development in a manner that will reduce land use conflicts with lands currently in agricultural use to the west of the Project. To the extent feasible, Developer will generally develop the Project in an east to west direction.

H. Challenges:

1) No Challenge by Citizens/Cerney: This Agreement will not become effective in the event that Citizens and/or Ann Cerney: (1) file any legal action challenging the City's certification of the EIR; (2) file any legal action challenging the City's approval of the Project's land use approvals, including the amendments to the West Side Facilities Master Plan; (3) file any legal action challenging the San Joaquin Local Agency Formation Commission's compliance with CEQA; (4) file any legal action challenging the San Joaquin Local Agency Formation Commission's approval of the annexation of the territory to the City of Lodi; (5) qualify a referendum petition to require an election concerning one or more of the Project's legislative approvals, or (6) violate the terms or the spirit of this Agreement in any other manner.

2) Challenge by Third Party:

a. The amendment to the Development Agreement called for in this Agreement will become partially ineffective as set forth below in the event that any other party: (1) files any legal action challenging the City's certification of the EIR; (2) files any legal action challenging the City's approval of the Project's land use approvals; (3) files any legal action challenging the San Joaquin Local Agency Formation Commission's compliance with CEQA; (4) files a legal action challenging the San Joaquin Local Agency Formation Commission's approval of the annexation of the territory to the City of Lodi; or, (5) qualifies a

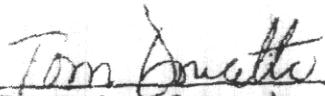

This Agreement shall be immediately effective and binding upon Citizens and Developer, but subject to termination by condition subsequent should the Lodi City Council not ratify this Agreement at the time of its public hearing on the FCB Westlake Project scheduled after February 1, 2007. The remainder of this Agreement shall only become effective upon the City Council approval of the amendment to the draft Development Agreement that are described in Section 2. Notwithstanding any other provision herein to the contrary, because of the nature of the mitigation measures set forth herein (e.g., ratio of 1:1 acres for agriculture mitigation), the parties agree that this Agreement shall be effective as stand-alone resolutions of their disputes as to this Project.

5. Agreement Not to Sue or Circulate a Referendum Petition.

If the amendment to the Development Agreement called for in this Agreement are adopted by the City Council, Citizens agrees that neither it nor its individual members shall sue the City or the San Joaquin Local Agency Formation Commission over the sufficiency of the EIR or the land use/annexation decisions by these public agencies. Further neither Citizens nor its members shall encourage or give assistance to any others to challenge the Developer's Project either administratively or judicially. Moreover, neither Citizens, nor its members, will encourage, indirectly assist or actually circulate a petition to place a referendum on the ballot to force an election about the Project's legislative approvals.

6. Counterparts.

This agreement may be executed in counterparts.
