

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Continuation of Public Hearing to receive public comments on the Final Draft of the Regional Household Hazardous Waste Element (HHWE).

MEETING DATE: August 5, 1992

PREPARED BY: Assistant City Manager

- RECOMMENDED ACTION:
- a) That City Council receive public comments on the Final Draft Household Hazardous Waste Element
 - b) That City Council adopt the Household Hazardous Waste Element
 - c) That City Council adopt the attached Resolution Requesting the Formation of a County Service Area

BACKGROUND INFORMATION: In its original form, AB 939 called for Household Hazardous Waste to comprise one chapter of the Source Reduction and Recycling Element. Subsequent legislation required this chapter to become a complete plan unto itself. On 1/16/91, City Council approved a letter of support to the County to explore the development of a Regional Household Hazardous Waste plan. The County Public Works Department-Solid Waste Division, took the lead in preparing the Household Hazardous Waste plan using input from City Managers and staff of the seven incorporated cities. Much of the discussion during plan preparation centered around finding some mechanism to finance implementation.

On 1/8/92, the Lodi SWAM Force conducted a public hearing on the Preliminary Draft. This hearing was very well advertised. Unfortunately, no one showed up. Today's public hearing on the Final Draft Household Hazardous Waste Element has been properly noticed, and at the time this Council Communication was written, the News-Sentinel had planned a story to remind the public of this hearing. The Final Draft Household Hazardous Waste Element is now presented to City Council for your consideration.

The incorporated cities and the county are essentially approaching Household Hazardous Waste management from a zero base. None of us have significant Household Hazardous Waste programs in place. It therefore makes perfect sense for all local governments to join forces and create a regional plan which will allow us to share resources and achieve economies of scale.

The county Board of Supervisors will have overall responsibility for implementing the Household Hazardous Waste plan. The County Integrated Waste Management Plan Task Force (created by AB 939) will serve as an advisory body to the Board of Supervisors. Council Member Sieglock represents the City of Lodi on this Task Force. A technical advisory committee will provide advice and technical assistance to the Task force. Kirk Evans represents the City of Lodi on this committee.

APPROVED

THOMAS A. PETERSON
City Manager

the Regional Household Hazardous Waste Element (HHWE)
Page Two of Two
August 5, 1992

For the short term, the Household Hazardous Waste Element calls for a series of

As proposed in the Household Hazardous Waste Element, implementation would be
financed through a County Service Area, whereby an annual charge of \$4.00 would
be levied on all dwelling units in the County. The County Board of Supervisors
has requested that all cities adopt the attached resolution requesting the
formation of a County Service Area so revenues may be collected.

It is extremely frustrating when the State creates laws mandating local
governments to implement programs that can only be financed by raising local
revenues. However, this regional plan will provide the most cost-effective
method possible for complying with State law.

FUNDING: Not applicable.

Respectfully submitted,

Jerry L. Glenn
Assistant City Manager

Prepared by Kirk J. Evans
Administrative Assistant to the City Manager

RESOLUTION NO. 92-132

=====

A RESOLUTION OF THE LODI CITY COUNCIL
REQUESTING THE FORMATION OF A COUNTY SERVICE AREA FOR
THE PURPOSE OF PROVIDING A HOUSEHOLD HAZARDOUS WASTE PROGRAM
FOR AREA RESIDENTS, AND CONSENTING TO THE INCLUSION OF THE
CITY OF LODI IN THE AFOREMENTIONED COUNTY SERVICE AREA

=====

WHEREAS, the Integrated Waste Management Act of 1989 requires that local jurisdictions establish a household hazardous waste program; and

WHEREAS, the County of San Joaquin and the incorporated Cities within said County have determined to establish a household hazardous waste program on a regional basis;

NOW, THEREFORE, BE IT RESOLVED, that the City of Lodi requests the formation of a County Service Area comprising the unincorporated areas of the County and those Cities within the County consenting to be included, for the purpose of providing a regional household hazardous waste program for area residents; and

BE IT FURTHER RESOLVED that the City of Lodi consents to be included in said County Service Area.

Dated: August 5, 1992

=====

I hereby certify that Resolution No. 92-132 was passed and adopted by the Lodi City Council in a regular meeting held August 5, 1992 by the following vote:

Ayes: Council Members .
Noes: Council Members .
Absent: Council Members .

Alice M. Reimche
