TO : THE CITY COUNCIL
FROM: THE CITY MANAGER'S OFFICE

COUNCIL MEETING DATE:
NOVEMBER 1, 1989

SUBJECT: CONTINUE PUBLIC HEARING TO NOVEMBER 15, 1989 TO CONSIDER WASTEWATER FEE INCREASE

RECOMMENDED ACTION: That the City Council continue the public hearing to consider adopting a new fee schedule for sewer service and connection fees to the regular Council Meeting of November 15, 1989.

BACKGROUND INFORMATION: The City Council will recall that at the October 4, 1989 Council meeting a public hearing was held to consider the introduction of an ordinance adapting a new fee schedule for sewer service and connection fees.

The City Council adopted Resolution No. 86-152 at its regular meeting of October 1, 1986 setting in place a schedule of annual sewer service charges and connection fees adjustments until such time as the White Slough Water Pollution Control Facility expansion project is completed or until that resolution is superseded. The adjustments are 15% effective each year on or as close to October 1 as feasible.

The proposed ordinance presented at the October 4, 1989 public hearing would have adjusted the monthly sewer service charge for a two-bedroom house from \$5.38 to \$6.19, and the connection fee from \$1,587 to \$1,825.

Following a lengthy discussion with the suggestion proposed that a flat fee be established for residential connection fees, the City Council continued the public hearing and requested that this subject be the topic of discussion at a "Shirtsleeve" Session prior to the time set for the continued public hearing. This subject is scheduled to be on the agenda for the November 7, 1989 "Shirtsleeve" Session.
