CITY COUNCIL MEETING

January 20, 1982

PUBLIC HEARINGS
(cont'd)

A lengthy discussion followed with questions being directed to Staff and to persons who had given testimony. On motion of Councilman Pinkerton, Katnich second, Council directed Staff to provide additional information at the regular Council meeting of March 3, 1982 regarding the proposed Hutchins Street Improvement Project, Kettleman Lane to Pine Street, including the one-way streets alternative proposed, and accident information regarding the Hutchins/Kettleman Lane intersection.

Attention:

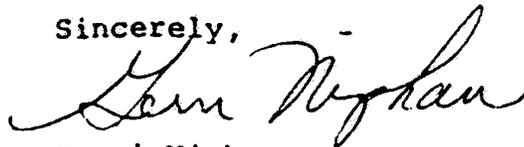

Councilmen - Jim McCarthy
Richard Hughes
Walter Katnich
Bob Murphy
James Pinkerton

This is to notify you that I PROTEST the proposed widening project for Hutchins Street.

Widening would only bring more traffic and encourage excessive speeding in this mainly residential area. There is entirely too much traffic on Hutchins now. We don't need more.

Imagine the congestion the widening would cause at the intersection of Hutchins & Lodi Avenue. It is bad enough as it is!

Sincerely,

Gerri Nipkau
