

of General Plan-Land Use Element Amendment No. GPA-LU-82-2  
Section 1 of two sections as follows:

Section 1 - The request of Kenneth Glantz, Consulting Engineer, on behalf of J. W. Properties to designate portions of Lobaugh Meadows, a proposed 91.17 acre development on the south side of West Kettleman Lane easterly of Lower Sacramento Road, as Medium Density Residential and Office-Institutional.

- b) To consider the recommended approval of the Planning Commission of the certification of the Final Environmental Impact Report No. 82-1 for Lobaugh Meadows, a 91.17 acre mixed use development on the south side of West Kettleman Lane easterly of Lower Sacramento Road.
- c) To consider the recommended approval of the Planning Commission of the request of Kenneth Glantz, Consulting Engineer, on behalf of J. W. Properties to rezone the area encompassed by Lobaugh Meadows, a proposed 91.17 acre development on the south side of Kettleman Lane, easterly of Lower Sacramento Road, from U-H Unclassified Holding, to P-D (24), Planned Development District No. 24, with the proviso that the 72 acres presently lacking terminal storm drainage not be permitted to develop until such time as a City Council approved drainage system is constructed.

The matter was introduced by Community Development Director Schroeder who presented a diagram of the subject area. Mr. David Morimoto, Assistant Planner presented the Final Environmental Impact Report on the project and reviewed the findings.

Mr. Rich Prima, Associate Civil Engineer gave a presentation regarding the G South Basin.

The following persons spoke on behalf of the matter:

- a) Mr. Kenneth Glantz,  
1150 W. Robinhood Dr., Suite 1-C  
Stockton, CA
- b) Mr. Lindsay Marshall  
Attorney at Law  
404 W. Pine Street, Lodi  
Representing the Lobaugh children.
- c) Mr. Laurence J. Peterson  
533 E. Pine St., Lodi

There being no other persons wishing to speak on the matter, the public portion of the hearing was closed.

On motion of Councilman Pinkerton, Murphy second, Council certified as adequate the Final Environmental Impact Report No. 82-1, for Lobaugh Meadows, a 91.17 acre mixed use development on the south side of West Kettleman Lane easterly of Lower Sacramento Road.

ORD. NO. 1270 INTRO.  
FINAL EIR  
CERTIFIED

Councilman Pinkerton then moved for introduction of Ordinance No. 1270 - Section 1 - amending the General Plan Land Use Element thereby designating portions of Lobaugh Meadows, a proposed 91.17 acre development on the south side of West Kettleman Lane easterly of Lower Sacramento Road, as Medium Density Residential and Office-Institutional with the following findings:

1. The adverse impact of the loss of agricultural land is overridden by the following considerations:
  - the area has been designated for urban development in the Lodi General Plan.
  - all urban growth areas around the City of Lodi are prime agricultural land.
  - there is sufficient need for this type of development to warrant the conversion of this agricultural land.

Continued September 15, 1982

2. That Kettleman Lane (Highway 12), Mills Avenue and the future Century Boulevard will adequately handle the additional traffic generated by this project;
3. That the impact of increased vehicle emissions will not significantly affect the overall air quality of the Lodi region;
4. That the impact of the additional school-aged children on the Lodi Unified School District will be mitigated by the developer through the payment of certain fees to the school district;
5. That a storm drainage solution acceptable to the City of Lodi will be designated to serve the project.

The motion was seconded by Mayor Pro Tempore Murphy and carried by unanimous vote.

REZONING AREA  
ENCOMPASSED BY  
LOBAUGH  
MEADOWS FROM  
U-H TO P-D 24

ORD. NO. 1271  
INTRODUCED

Councilman Pinkerton then moved for introduction of Ordinance No. 1271 rezoning the area encompassed by Lobaugh Meadows, a proposed 91.17 acre development on the south side of Kettleman Lane, easterly of Lower Sacramento Road, from U-H, Unclassified Holding, to P-D (24), Planned Development District No. 24 with the proviso that the 72 acres presently lacking terminal storm drainage not be permitted to develop until such time as a City Council approved drainage system is constructed. The motion was seconded by Mayor Pro Tempore Murphy and carried by unanimous vote.

Council Member John (Randy) Snider asked to abstain from discussion and voting on the following matters because of a possible conflict of interest.

NOTICE THEREOF HAVING BEEN PUBLISHED IN ACCORDANCE WITH LAW AND AFFIDAVIT OF PUBLICATION BEING ON FILE IN THE OFFICE OF THE CITY CLERK, MAYOR REID CALLED FOR THE PUBLIC HEARING

- a) To consider the recommended approval of the Planning Commission of General Plan - Land Use Element Amendment No. GPA-82-2 Section 2 of two sections as follows:

Section 2 - Redesignating the 9.96 acre parcel at the southwest corner of West Lodi Avenue and South Ham Lane from Medium Density Residential to Office-Institutional.

- b) To consider the recommended approval of the Planning Commission of the certification of the Final Environmental Impact Report No. 82-2 for the Ham Lane Professional Complex, a proposed 9.96 acre, 11 building, 60,000 square foot complex to be located at the southwest corner of West Lodi Avenue and South Ham Lane, Lodi.
- c) To consider the recommended approval of the Planning Commission of the request of Charles Wentland on behalf of Consolidated Investors to rezone the 9.96 acre parcel at the southwest corner of West Lodi Avenue and South Ham Lane from R-GA, Garden Apartment Residential, to R-C-P, Residential-Commercial-Professional.

The matter was introduced by Community Development Director Schroeder, who presented diagrams of the subject area.

The Final Environmental Impact Report was reviewed by Assistant Planner David Morimoto.

The following person spoke in favor of the matter:

- a) Mr. Charles Wentland, 1601 West Lodi Avenue, Lodi

The following person spoke in opposition to the matter:

a) Mr. Charles Duncan, 1214 West Lodi Avenue, Lodi

City Clerk Reimche presented the following letter that had been received from Richard S. Franza, Senior Project Officer, State Savings and Loan Association:

With reference to the above matter to be heard by you on this date, as owners of residential properties adjacent to this rezoning request on Huntington Drive, we are in accord with the requested rezoning. However, we request that you consider incorporating certain building conditions at this time or during your review of building plans:

1. That the proposed office complex is not to exceed one story as the rear property line is adjacent to residential property which we own.
2. That the developer provide a mature landscape buffer on the rear property line to maintain a privacy factor to the residential property, above the height of the existing wall.
3. That there be adequate security lighting in the rear and yet not over-done that it would interfere with the owner's privacy in the residential units.
4. Adequate security to be provided to protect the adjacent residential properties from undue intrusion.

If you have any questions pertaining to the above do not hesitate to call or contact the undersigned.

There being no other persons in the audience wishing to speak on the matter, the public portion of the hearing was closed.

FINAL EIR  
CERTIFIED AS  
ADEQUATE

On motion of Mayor Reid, Olson second, Council then certified as adequate the Final Environmental Impact Report No. 82-2 for the Ham Lane Professional Complex, a proposed 9.96 acre, 11 building, 60,000 square foot complex to be located at the southwest corner of West Lodi Avenue and South Ham Lane. The motion carried by the following vote:

Ayes: Council Member - Murphy, Pinkerton, Olson, and Reid

Noes: Council Member - None

Absent: Council Member - None

Abstain: Council Member - Snider

Council Member Olson then moved for introduction of Section 2 of Ordinance No. 1270 amending the General Plan Land Use Element thereby redesignating the 9.96 acre parcel at the southwest corner of West Lodi Avenue and South Ham Lane from Medium Density Residential to Office-Institutional, with the following findings:

1. The adverse impact of the loss of agricultural land is overridden by the following considerations:
  - that the area has been designated for urban development in the Lodi General Plan.
  - that the property is totally surrounded by urban uses.
  - that the size of the parcel severely limits its agricultural potential.
