COUNCIL MEETING  
OCTOBER 6, 1982

cc - 27(c)  
cc - 40

COMMENTS BY CITY COUNCIL  
MEMBERS

Council Member Snider reported on a recent meeting of the Recreation Commission that he and Mayor Reid had attended and outlined the following recommendations of the Recreation Commission resulting from that meeting as follows:

a) Continue the \$1.00 entrance fee at Lodi Lake Park

b) Possible establishment of a park curfew for all City Parks. Said curfew to be 10:00 p.m. with exceptions granted through a "permit" process.

c) Continue pursuing the possibility of "Park Rangers".

CITY PARKS

A lengthy discussion followed with questions being directed to Staff and to the City Attorney. Council tacitly concurred that Council Member Snider and City Attorney Stein are to meet and to bring back to the Council at a future meeting a model ordinance regarding a park curfew within the City of Lodi.

Council Member Snider asked to continue with the Task Force relating to all Parks within the City of Lodi.

A lengthy discussion followed regarding the maintaining of Police personnel in the area of Lodi Lake Park. The specifications for a park ranger and the difficulties of developing such specifications were discussed at length.

LODI LAKE PARK

Council Members expressed their feelings regarding the entire subject with the majority of the Council relating to the City Manager that during the summer months, there should be close police surveillance of the Lake area; however, the allocation of manpower at that location should be left up to the management personnel of the Police Department.
