

RESOLUTION NO. 86-156

RESOLUTION APPROVING TRANSFER OF OWNERSHIP OF THE LODI AMBULANCE SERVICE

WHEREAS, in the matter of the request of ownership of the Lodi Ambulance Service and upon completion of an investigation and hearing on the matter, the Lodi City Council hereby determines that

A. That the vehicles described in the application and proposed to be used comply with all pertinent state laws;

B. That the colored scheme, insignia, name, monogram or other distinguishing characteristics proposed to be used upon such ambulance or ambulances is not in conflict with and does not imitate any color scheme, insignia, name, monogram or other distinguishing characteristics used by any other person, in such manner as to mislead or tend to mislead, deceive or defraud the public;

C. That the application is complete and that the applicant will meet the criteria set forth in this chapter for operating an ambulance business within the city;

D. That further ambulance service in the city is required by the public convenience and necessity and that the applicant is fit, willing and able to perform ambulance service and to conform to the provisions of this chapter, and such rules and regulations as may be promulgated by the city council. In making such findings the city council shall take into consideration the number of ambulances already in operation, whether existing ambulance service is adequate to meet the public need, the probable effect of increased ambulance service on local traffic conditions, and the character, experience and responsibility of the applicant.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Lodi does hereby approve the transfer of ownership of the Lodi Ambulance Service.
